I really don't like the idea of people knowing what I am doing. I find telling everybody what you had for breakfast is really uninspiring.

~Jim Sturgess

I'm not an outdoors person by instinct or nature. I'm more of a city person.

~Jim Sturgess

'Upside Down' is a fantasy love story. It's about love at first sight - when you just fall in love instantly and will battle any obstacle to be with that girl.

~Jim Sturgess

I've probably written about three albums that no one will ever hear.

~Jim Sturgess

I moved to Manchester to join a band and ended up getting into acting, and I moved back to London to become an actor and ended up joining a band.

~Jim Sturgess

I can play the guitar and the keys and the drums. I'm not brilliant at any of them. I can sing too. Some of my friends are proper musicians but I'm a song-writer. I write songs.

~Jim Sturgess

It's always interesting to me to tell stories that come from difficult political climates.

~Jim Sturgess

The films that I really liked and the ones that really blew my mind when I was younger were independent films. They're like great records to me.

~Jim Sturgess

Definitely River Phoenix is somebody that I thought, "This guy is very cool." I wanted to be like him when I was a kid.

~Jim Sturgess

Most of my friends are from the music scene.
