When you learn to harness the power of your fears it can take you places beyond your wildest dreams.

~Jimmy Iovine

The thing about seeing the big picture and being self-aware is knowing that it's not about you. It's about the big picture. It's not about you. It's not. This is not about you.

~Jimmy Iovine

Every room that you walk into is better off that you're there.

~Jimmy Iovine

Continue to learn with humility, not hubris. Hubris is boring.

~Jimmy Iovine

If this company is about anything, it's about discipline and staying focused.

~Jimmy Iovine

I always try to go where the excitement is, where the best music is. I don't care what kind of music it is. I go with the best artist we can find.

~Jimmy Iovine

Everything you know could already be wrong.

~Jimmy Iovine

There's an ocean of music out there and there's absolutely no curation for it.

~Jimmy Iovine

After three albums, you should shoot your producer

~Jimmy Iovine

You don't just walk out because you think someone has insulted you

and your pride has been hurt.

~Jimmy Iovine

If you get 100 million streams on a song and you're only being paid on 20 percent, the check's not going to look good. The money's not going to look fair.

~Jimmy Iovine

I make records so I can buy art.

~Jimmy Iovine

We're built to move on. Someone dies, no matter how close you are to them, you move on. That helps in a lot of ways.

~Jimmy Iovine

Most technology companies are culturally inept. They're never going to get curation right.

~Jimmy Iovine

People need service - great service where music is concerned.
