It is time for us to focus on the issues that bring us together as a nation. Supporting parents' capacity to raise their children with the love and resources they need is simply the right thing to do.

~Joan Blades

Even though mother's issues are not front page news they touch us all personally, some more than others and I believe passionately in the power of grassroots engagement.

~Joan Blades

Common sense as well as common values all lead us. Our future depends upon it and our present is going to be vastly better when we get back to these basics.

~Joan Blades

Unacceptable Levels is Powerful. It tells the story of toxic chemicals in just about every aspect of our lives, and the egregious lack of regulation. Our ability to protect our families is at stake.

~Joan Blades

Most families need both parents to work. Moms need to be able to work and earn fair pay and have the flexibility in their jobs to also be primary caretakers.

~Joan Blades

The purpose of The Motherhood Manifesto is: mothers really need to be given the ability to parent.

~Joan Blades

We've got 50 percent voter turnout for presidential elections. That's appalling. We can do so much better.

~Joan Blades

When you become active in the system and communicate to your

representatives, and they don't vote in accordance with your values, your responsibility is to support candidates who will.

~Joan Blades

I have referred to myself as an accidental activist on more than one occasion.

~Joan Blades

I'm a mediator by training and inclination.

~Joan Blades

I find it odd that there's such strong objection to what is a clear way to assure that our elections are reliable and we can do a recount if there are any questions.

~Joan Blades

I have a real sense of optimism that we are revolutionizing the way we do politics in this country.

~Joan Blades

A book reaches a different crowd of people. There are 50 different stories of very different individuals participating in their communities either locally or nationally in meaningful ways.

~Joan Blades

We are mortgaging our future.

~Joan Blades

People think of us as an information distributor because that's how they relate to the Internet. But most of the time people already have pretty well established opinions.

~Joan Blades

Most jobs today are still structured the same way they were 50 years

ago, when most families had someone who could stay at home.

~Joan Blades

Touch screen voting is a fine thing so long as they have a voter verified paper trail.
