Those who expect moments of change to be comfortable and free of conflict have not learned their history.

~Joan Wallach Scott

All of my work in some way or another speaks to political issues according to the upbringing that I had, which was deeply rooted in principles.

~Joan Wallach Scott

We've increasingly lost that sense of community, of the notion that there is something we contribute to and benefit from that is called the common good.

~Joan Wallach Scott

The internet has made possible a frightening practice of threats and intimidation - threats of unspeakable violence and death.

~Joan Wallach Scott

The Trump election brought it the fore and made it possible for a number of different groups whose aim is to stop the teaching of critical thinking to to launch direct attacks.

~Joan Wallach Scott

The common good is the notion of shared collective responsibility and reciprocity. It's that that we've lost.
