

Joe Budden Quotes

*Thinking, Rap, People, Years, Artist, Way, World, Trying, Want, Causes, Ifs,
Support You, Mistake, Games, Names, Records, Needs, Able, Crazy, Hip Hop*

In my world, even sure bets are not certain; 'Cause you'll get the picture, then find out it's the cropped version.

~Joe Budden

I loved love til' it resented me, and if it's still a stranger then I love who it pretends to be.

~Joe Budden

I never cared, I was careless, Fear bein afraid or maybe I'm afraid to be fearless. Or fear bein' fearless but fearful, So even in my carelessness...gotta be careful.

~Joe Budden

Whatever you goin' through, could always be much worse, Don't make a mistake, mistakin' your blessings for a curse.

~Joe Budden

Leave the past in the past, tomorrows not promised and Todays just a gift i guess thats why its the present

~Joe Budden

Sometimes you gotta stand by your failures to recognize your success

~Joe Budden

They say I'm difficult, so to put it simply....tell the world I never cared it was against me

~Joe Budden

Like I said, as long as I'm consistent and I try to put my best foot forward, and work as hard as I possibly can, everything else will fall into place - God'll take care of everything.

~Joe Budden

In this day and age, you gotta be a profiler to really know who people

are, which most of us are not. So, we need time and life to start happening for people to really show their trust colors.

~Joe Budden

Maybe I'm regular and the world needs to adjust?

~Joe Budden

Destiny made a mistake and gave my fate to someone else.

~Joe Budden

God I hear you giving me an earfull but I'm gonna cruise in 5th gear until I'm near you.

~Joe Budden

You'll never progress if you never try

~Joe Budden

Don't ask for a cig' - I'm so self-centered, I won't even share this cancer.

~Joe Budden

Why try to fit in when you a stand out?

~Joe Budden

And I'll never let myself down..How so? I don't expect too much from me.

~Joe Budden

Music kept me sane. I love music too much. I'm too passionate about music to let anything or anyone come in between me and my love.

~Joe Budden

I'm not in a competition with any other artist, anything that's goin' on - I'm strictly competing with myself.

~Joe Budden

Even at my lowest I was sittin on my high stool.

~Joe Budden

Look, sometimes the truth could hurt you so I blow my cig smoke right at the truth commercial.

~Joe Budden

I'm a firm believer in my higher power havin' a plan, and he's never wrong, and he's not open to suggestions.

~Joe Budden

You want attention, you want support, you want to be treated properly, and I don't wanna have to go anywhere and teach people how to treat me.

~Joe Budden

Technology being the way it is, and record sales being the way it is, there are not too many things that you need to depend on a label for that you can't go out and do yourself.

~Joe Budden

I came up in battling and just wanting to compete. Even if you had no real problem with someone, you just wanted to compete.

~Joe Budden

You take music out of life and love. I don't want to be on a planet without music.

~Joe Budden

I'm lookin' forward to doin' a lot of big things. I've been doin' a lot of big things: a lot of traveling, a lot of recording - I'm excited.

~Joe Budden

It's hard - it's difficult to tell when your buzz is at its peak.

~Joe Budden

Life is like a beach chair when you can afford one

~Joe Budden

Take away what we love, wed all be Joe Paterno.

~Joe Budden

It's one of my short-term goals, to be able to actually record music and release it simultaneously and not just hold on to it.

~Joe Budden

Project X now, but it started as a Hunger Game.

~Joe Budden

Where I'm at physically, mentally, emotionally, spiritually usually dictates where my music goes.

~Joe Budden

I know that I'm kind of a big deal online, but I think that some of that is starting to seep into the streets, and you want to kind of continue to make sure it does that.

~Joe Budden

Up late talking to the fans on a website, That's the only thing that send ya man off to bed right

~Joe Budden

I'm a firm believer in everything going digital, in a matter of years. I wanted to kind of be one of the pioneers, one of the people that jump on that bandwagon early.

~Joe Budden

I have some things that I've been workin' on, such as delivery, wordplay, breath control, just a lot of other things that artists work on, that the listener may not be listening for.

~Joe Budden

I think Def Jam happened to be one of the labels that really didn't have a good grip on things that were going on. I'll say that - that's my political answer.

~Joe Budden

Certain majors [lables] just know what they're doin', and got a good grip on the dynamic of what's happening, and some don't.

~Joe Budden

Joe Budden TV is life through the eyes of Joe Budden. You've gotta go check it out - it's pretty fun.

~Joe Budden

I read every fan forum and every blog, and every message board, and every chat room. I read it all. There's nothing online that I'm not aware of.

~Joe Budden

I would have had a clause in my contract; I would've definitely put some fine print in my contract that said, "If the president leaves, I'm leaving." That'd be the bottom line.

~Joe Budden

For Joe Budden fans, and for Joe Budden, I like to focus on the creative side, and havin' a thought and bein' able to execute it in the booth. I think that song best displays me being able to do that.

~Joe Budden

I'm proud to say I'm the only Slaughterhouse member who has not

rewritten a verse yet, and that's the ongoing joke in the group, 'cause everybody has rewrote their sh*t except for me.

~Joe Budden

If I'm trading bars with somebody, it certainly is not because I have a release coming. Joe Budden prides himself on the music and not the sales aspect.

~Joe Budden

I don't wanna join the Hair Club For Men or anything.

~Joe Budden

I remember a day and time when the streets indicated what was hot online, and now I think it's starting to reverse a little bit.

~Joe Budden

A few more albums, a few more years, I'll be like Peter Petrelli in Heroes. I'll be some type of rap super-monster or something.

~Joe Budden

I tried to make the best music that I could possibly make, and then nothing was ever good enough.

~Joe Budden

Most important to me is being able to release music and have an astounding relationship with whoever would be distributing the music.

~Joe Budden

I think, it's so difficult to create a buzz anywhere, whether it be online, the streets, radio, anywhere, that if you are able to create a buzz somewhere, it definitely means something.
