Actors, Two, Perspective, Technique, Giving, Drug, Advertising Agencies, Age,  
Feet, Backgrounds*

James Cameron has always been way ahead of the curve in terms of the use of technology in his movies.

~Joe Morton

I think people believe that I give an aura of someone who has both feet on the ground.

~Joe Morton

If there's no craft there, then once the looks go, there goes your career.

~Joe Morton

I think it talks about the fact that there are black people in the world who have tremendous amount of talents and have no channel through which they can those talents.

~Joe Morton

I came into the industry at a time when there weren't a lot of choices to what you could do.

~Joe Morton

I think it talks about that there needs to be some proactive attack against drugs infiltrating our culture.

~Joe Morton

One, I had never worked with John Woo before and I wanted to see what that was like, and two, Ben Affleck is a friend, so it would be fun to work with him again.

~Joe Morton

When I started off many years ago, I made a determination that there were certain roles I didn't want to play.

~Joe Morton

Basically, the actor's job is to pay attention to the script.

~Joe Morton

If you have the skill, then you can move as you age.

~Joe Morton

There are lots of stories about my culture that I think bring a whole other perspective to who we are and where we have been and how we got here that I think need to be done.

~Joe Morton

With my background, I came out of the theater.

~Joe Morton

If someone wants to give me the lead in anyone of those films, and deal with those other complications, terrific, I'm ready for them.

~Joe Morton

Unfortunately, most actors want to play off their own personal mystique and good looks and whatever, but that will only carry you but so far.

~Joe Morton

I would love to play the villain, but again, it sort of what happens in this industry.

~Joe Morton

I think the thing is with a movie that has this much science fiction in it; you need characters who are more science fact, if you know what I mean, than they are human.

~Joe Morton

I love doing movies but I loved doing theatre just as much.

~Joe Morton
