Some of us are going to play faster than others. Hitting the right notes and getting your technique right is so much more important than speed.

~Joe Satriani

I started out playing guitar because Jimi Hendrix was my hero, so my roots were really based on Jimi Hendrix and his style of playing.

~Joe Satriani

Relax. Be yourself. Play a lot.

~Joe Satriani

There's a fine line between giving the sense of freedom and being too free.

~Joe Satriani

I've always done 'the wrong thing' and had a pretty wonderful time doing it.

~Joe Satriani

It really sucks when music is so perfect you just don't need to hear it anymore.

~Joe Satriani

Guitars are fun. There are plenty of different kinds to play. They look cool. They sound cool. Don't you want to play guitar?

~Joe Satriani

When you think about where guitar playing is going today...: it's going everywhere at the same time.

~Joe Satriani

Just as a blues player can play 20 blues songs in a row but find a way to make each one different, ... I always want to find different ways to do

something

~Joe Satriani

I pride myself on being incorrigible. I have a very hard time being told what to do.

~Joe Satriani

Eee-nee-mee-nee-my-nee-moe

~Joe Satriani

My inspirations don't come from outer space, they just come to me. I have no idea why they come when they do.

~Joe Satriani

I'll tell you one thing: I will always play the sh** out of my guitar.

~Joe Satriani

When you hear something you don't like, don't ever play it again.

~Joe Satriani

I see something in her eyes, sends me to a better place.

~Joe Satriani

Satriani's Law: There's at least a 30% chance that someone will print the name Satriani incorrectly

~Joe Satriani

Basic anatomy. That has got to be the ongoing frustration: Why can't my fingers do what I want them to do? Not being able to play what I hear in my head - that is the ultimate source of frustration.

~Joe Satriani

I write the songs first and in most cases teach myself the technique second.

~Joe Satriani

Song ideas have come to me in the middle of interviews, in the shower, or while I'm writing another song.

~Joe Satriani

When you hear an instrumental song someone is singing over, you know right away it's wrong.

~Joe Satriani

If someone can relate my guitar solo to an exercise in a book... that's no fun at all.

~Joe Satriani

I started learning to sing what I liked, to experience it in a visceral way. Then it's inside. Get rid of the neurosis and then you can improvise.

~Joe Satriani

R.I.P. Steve Jobs. I bet you're busy right now revolutionizing and redesigning the afterlife for all of us to enjoy when our time comes

~Joe Satriani

It's funny how you can struggle with one piece and write a better one in a minute. When things come easy, it means it's good.

~Joe Satriani

Solos I kind of [couldn't] care less about. I know most people probably think that's what I care most about, but it's really the melody playing that is the cornerstone of what I'm working on.

~Joe Satriani

When I want to play music, you've got to get me on tape or else it goes.

~Joe Satriani

I'm ready to take the heat.
