

# Joel Silver Quotes

*Thinking, People, Want, Stupid, Proud, Real, Watches, Film, Littles, Fun, Hard,  
Years, Ability, Cost, Sports, Ideas, School, Rights, Bigger, Country*

Our responsibility as filmmakers is to make things that are fresh, unique and original.

~Joel Silver

I want an explosion the size of Cleveland.

~Joel Silver

I always had the ability to throw a frisbee pretty well. I don't why.

~Joel Silver

The only time I use women in films is when they're naked or dead.

~Joel Silver

I like to produce movies and that's where I want to be.

~Joel Silver

I think once every person on the planet sees 'New Moon' and there's nobody left who hasn't see it, then I think they'll be able to go see 'Ninja.'

~Joel Silver

When California provides the same value as other locations, I'd gladly shoot all my pictures here.

~Joel Silver

My movies have always done pretty well in the UK - 'The Matrix' films did very well in this country and I do like the crews here and the people we're working with here.

~Joel Silver

Ryan [Gosling] has a history with the Mickey Mouse Club. He was a child performer himself. And he took the time to get to know people.

~Joel Silver

I'm a guy that wants the movie to work. So whatever it takes or whatever you got to do - I'm happy to do.

~Joel Silver

I will always continue to make stupid action films but I think 'V For Vendetta' is a very smart film and I think that people will feel differently about things when they see it.

~Joel Silver

I swam a little bit in high school but I wasn't a jock.

~Joel Silver

There's no such thing as an easy anything.

~Joel Silver

A lot of movies were influenced by 'Logan's Run,' like 'Minority Report'. A lot of films have those elements in them.

~Joel Silver

I'd like to build my company and make a bigger company always, but I think in the behind the scenes arena is where I'd prefer to spend my time.

~Joel Silver

The core of the movie business remains intact and it's not descending in scope. Studios want movies that are bigger than ever.

~Joel Silver

I'm a filmmaker and I'm proud of the movies I've made. But in the background of my life I was also very involved in the creation of the sport.

~Joel Silver

There aren't a lot of guys like me left. But I'm a war horse. I've been

through it all. And you know something about war horses? Through the sleet, through the snow, they just keep going.

~Joel Silver

I always like to make sequels. It's a nice business to be in.

~Joel Silver

We found in 'The Matrix' that people were willing to accept something more. It was a smarter film.

~Joel Silver

I've made a lot of stupid action films in my life but I like stupid action films and am kind of proud of them.

~Joel Silver

The idea of a youth-based society that you live in for a certain time and then you no longer live anymore is an interesting idea for a movie, but you need young people that people want to go see.

~Joel Silver

I've made a lot of stupid action films. But when we made The Matrix, we saw that people wanted more than that.

~Joel Silver

There is no real kind of specific genre of cost of movies.

~Joel Silver

It's so hard and impossible to shoot in L.A. The costs are astronomical.

~Joel Silver

It's hard to shoot anything in L.A.; it's just a chore, but they're great here.

~Joel Silver

It's financially advantageous to make a picture in Berlin, Germany. They have a very effective rebate system.

~Joel Silver

To watch a movie in 3D when it's not really planned in 3D is disturbing sometimes.

~Joel Silver

I've always wanted to make 'Swamp Thing.' I like 'Swamp Thing.' I think it's a good idea, and I thought it would be a good venue for a 3-D movie, but there were rights issues with 'Swamp Thing.'

~Joel Silver

The most effective 3D movies I have ever seen are the animated movies because they are designed.

~Joel Silver

Movies that tend to be converted or tend to be 3D in a late decision are not effective.

~Joel Silver

I rather would prefer to see the movie theatrically, which I have the ability to do.

~Joel Silver

I love my iPad. I'll see television shows that I have missed and I'll download them through iTunes. If there is an older movie that I want to watch right away, I can download that movie and watch it.

~Joel Silver

There are a lot of times where actors can be a little precious sometimes, and then it's difficult to put them in a situation where there is true hardship.

~Joel Silver

Press conferences are good. I have my own philosophy about press conferences. I usually think that when they don't like the movie, they ask about other things.
