

Joely Fisher Quotes

*Psychology, Mom, Mother, Kids, Believe, People, Faces, Don't Believe, Legs,
Obsession, Giving, Looks, My Own, Two, Careers, Actors, Challenges,
Delicious, Raised, Wanted*

I love to cook. I make an award-winning turkey chili.

~Joely Fisher

My mom has this great skiing event in Jackson Hole, Wyoming, every year for a local charity.

~Joely Fisher

It's challenging, but you have to at least try to eat right and exercise.

~Joely Fisher

I am vegetarian, though, and so is my family.

~Joely Fisher

I've never been a waif; I have a womanly figure and always did.

~Joely Fisher

I'm sure that my mom would have been happy with any path I chose.

~Joely Fisher

I don't believe in depriving myself of any food or being imprisoned by a diet.

~Joely Fisher

Eating vegetables makes me feel good.

~Joely Fisher

More important, you have to stay happy and positive or the stress will kill you - but at least it will make you skinny

~Joely Fisher

I am still learning every day not to watch other people's careers and compare.

~Joely Fisher

I'm obsessed with cooking shows, even though they make everything look so easy when it isn't.

~Joely Fisher

But unfortunately, when you have a kid, you sometimes eat everything they leave behind. So far today I've had some of her leftover pancakes with peanut butter.

~Joely Fisher

Skiing makes me feel great, and it gives my legs such an incredible workout.

~Joely Fisher

I didn't finish college, which is really weird because they awarded me the Alumni of Distinction recently.

~Joely Fisher

I was raised with Eddie Fisher as a father and Connie Stevens as a mother. It was sort of hard for me to pick anything else, because this was the life I knew.

~Joely Fisher

I'm always on the quest for something delicious and healthful.

~Joely Fisher

I think you inherit most of your talent from your parents, although sometimes a fabulously talented singer grows out of the union of two tone-deaf people

~Joely Fisher

I was a backstage kid. I was in the wings looking out.

~Joely Fisher

I just believe that whatever you put into your system you're going to see

on your face and your body.

~Joely Fisher

I knew from the time I could walk that I wanted to be an actor.

~Joely Fisher

I stay in my own little zone, and that's good for me.

~Joely Fisher

I loved psychology and I loved history.

~Joely Fisher

I was like a race horse, just trying to get into the world.

~Joely Fisher

At this point, I wouldn't be able to digest meat, and I don't like eating things with faces.

~Joely Fisher

I took up French boys and wine and I studied psychology.
