You're only as strong as your weakest link so you've got to make sure everybody in your crew is on point.

~Joey Badass

Got dragon balls like my name was Vegeta

~Joey Badass

I'm a really humble person and I'm a really on-the-go person. For me, it's never that serious.

~Joey Badass

I'm a person who likes to develop. I like for people to see me grow.

~Joey Badass

Regardless of anything, my dad wants me to "get that piece of paper!" - degree over everything.

~Joey Badass

I would never know how that person felt when they first heard my song. They coulda been at rock bottom and my song could have literally been the thing that saved them, but I would never know that.

~Joey Badass

I believe I am of the natural.

~Joey Badass

My schedule has not calmed down, but I'm definitely not so devastated as I used to be. Definitely cooler now. A lot of blessings have fallen into my lap, and I'm very thankful to receive all of them.

~Joey Badass

Jamaica's probably the most dominant island as far as influence goes, as far as music and dancing and culture.

~Joey Badass

The economic crisis really affected my family - 2006 to 2011 were really bad times. Almost everybody in my family lost their jobs.

~Joey Badass

I was never blinded by the American dream. I have my own dreams. You know what I'm saying? The Joey dream.

~Joey Badass

My parents are both definitely supportive of my career. They are both big fans of rap. They are really what influenced me.

~Joey Badass

Luckily for me, I became a rap star so I'm making enough money to support my family. It's funny because that may seem like the only way that I can do such a task.

~Joey Badass

Yo, why can't I speak out and then have fun? Why can't I just be a human? Why can't I just do what I want? People just want to keep you in one type of box or lane.

~Joey Badass

Hate is a strong word. I don't really try to hate anything. Yeah, you could say I have a complicated, domestic relationship with America for sure.

~Joey Badass

We're very far from harmony. The only thing that's going to bring world harmony has to be from the outside. It has to be external. It has to be us versus an external thing.
