If we hope and even assume that the social question will be answered through communism, and not in this or that country but in the world, any thought of centralization must be a monstrosity.

~Johann Most

Anarchists prepare for social revolution and use every means - speech, writing, or deed, whichever is more to the point; to accelerate revolutionary development.

~Johann Most

It is the lash of hunger which compels the poor man to submit. In order to live he must sell - 'voluntarily' sell - himself every day and hour to the 'beast of property.'

~Johann Most

The existing system will be quickest and most radically overthrown by the annihilation of its exponents. Therefore, massacres of the enemies of the people must be set in motion.

~Johann Most

Fortunately, no country was ever more suited for anarchist agitation than present-day America.

~Johann Most

Is anarchism desirable? Well, who does not seek freedom? What man, unless willing to declare himself in bondage, would care to call any control agreeable? Think about it!

~Johann Most

Among all mental diseases that have been systematically inoculated into the human cranium, the religious pest is the most abominable.

~Johann Most

We need do no more than repeat: only under communism does the

individual become himself and lead his own life.

~Johann Most

Whoever looks at America will see: the ship is powered by stupidity, corruption, or prejudice.

~Johann Most

As set forth by theologians, the idea of 'God' is an argument that assumes its own conclusions, and proves nothing.

~Johann Most

'God' - as revealed in his book of edicts and narratives is practically an idiot. He has nothing to say that any sensible person should want to listen to.

~Johann Most

He who negates present society, and seeks social conditions based on the sharing of property, is a revolutionary whether he calls himself an anarchist or a communist.

~Johann Most

The aims of anarchists and true communists are identical.

~Johann Most

Above all, what socialist, without flushing with shame, maintains he is not a revolutionary? We say: none!.

~Johann Most

Is anarchism possible? The failure of attempts to attain freedom does not mean the cause is lost.

~Johann Most
