

John August Quotes

Thinking, Big Fish, Girl, Dog, Different, Real, Musical, Running, Character, Two, Crazy, Remarkable, Names, Father, Scratches, Cat, Directors, Song, Choices, Wise

Now, it's common knowledge that most towns of a certain size have a witch, if only to eat misbehaving children and the occasional puppy who wanders into her yard.

~John August

Frankenweenie is also about mortality, but at a very different stage. It's losing a parent versus losing a dog. I don't run away from the tears of that, which I think is what makes it feel universal.

~John August

With Corpse Bride, I saw a lot more of it during the process because we were changing things a lot. When I came onto Corpse Bride, it wasn't a musical.

~John August

I knew that Weird Girl was going to be kind of amazing. The secret truth of Weird Girl is that I put her in there originally because I needed some way to set the boys' names.

~John August
