Illegal immigration continues to be a major problem in the United States. We have people waiting to come here legally. And we should not be rewarding people who have come here illegally.

~John Barrasso

The failed stimulus, along with Obamacare's long list of failures, show what happens when Congress passes laws in a rush.

~John Barrasso

Our state has a balanced budget. We have to live within our means in the state of Wyoming. I was in the state senate. This country needs a balanced budget amendment to the Constitution.

~John Barrasso

I'm a child of immigrants. That is the history of this country. Immigration is good and important for our country. Legal immigration needs to really be modernized.

~John Barrasso

I'm a conservative and I believe if you tax something more you get less of it.

~John Barrasso

I don't want anybody between a doctor and a patient - not an insurance company bureaucrat or a Washington bureaucrat.

~John Barrasso

Iran wants the money. And I don't believe they want it for roads or hospitals or schools, I believe they want it for more terror.

~John Barrasso

For 25 years practicing medicine, I never asked anybody if they were a Republican or a Democratic or an independent and asked if they had insurance or not. I took care of everybody.

~John Barrasso

I think it's important to focus on our economy, on jobs, on getting America back to work.

~John Barrasso

When we export energy, we export American influence overseas. As I travel around the world, I know that there are people that want to buy energy from America.

~John Barrasso

What people are seeing is that the cost of their care and their insurance is going up faster since Obamacare has been passed than if the healthcare law had not been passed at all.

~John Barrasso

A nuclear armed Iran makes the world less safe, less stable, less secure.

~John Barrasso

The more Americans find out about President Barack Obama's health care law, the less they like it. A majority of Americans want out.

~John Barrasso

My dad took me to John Kennedy's inauguration when I was 8. We come every time, Republican and Democrat, because of this great country.

~John Barrasso

The CIA's resources should be focused on monitoring terrorists in caves - not polar bears on icebergs.
