The aggressive, unprovoked acts of violence against Israel by Hezbollah and Hamas are revealing. It is clear they don't want peace, but rather seek the ultimate destruction of Israel.

~John Boehner

House Republicans want to pass a strong border security, illegal immigration bill. We want a bill. There is no ifs, ands or buts about it.

~John Boehner

The value of the majority lies not in the opportunity to wield great power, but in the chance to use power to do great things.

~John Boehner

An Affront to the Rule of Law and to the Constitution Itself

~John Boehner

We have no stronger ally anywhere in the world than Israel.

~John Boehner

Since its first day as a nation, Israel has lived under a cloud of aggression from militant extremists and hostile neighboring governments.

~John Boehner

But, you know, I'm presiding over an institution that was designed not to work.

~John Boehner

Trust me. I'm going to make sure this healthcare bill is never, ever, ever implemented.

~John Boehner

Working Americans who believe in our country and who believe in our Constitution are saying, 'Enough is enough!'

~John Boehner

Studies show that children best flourish when one mom and one dad are there to raise them.

~John Boehner

During the 1990s, world leaders looked at the mounting threat of terrorism, looked up, looked away, and hoped the problem would go away.

~John Boehner

Mr. President, the buzz saw that your healthcare bill ran into wasn't lobbyists and special interests it was tens of millions of American's who were saying, 'Stop!'

~John Boehner

I'll commit suicide before I vote on a clean minimum-wage bill.

~John Boehner

Well, any good comeback needs some true believers.

~John Boehner

The job of training an Iraqi police force is one of the most important tasks being undertaken in Operation Iraqi Freedom. It is also one of the most difficult.

~John Boehner

Our freedoms were born in the ideals of the Enlightenment and the musket fires of an historic revolution.

~John Boehner

Most recently, terrorist forces have captured Israeli soldiers and fired rockets into Israeli cities - both unprovoked. These acts of aggression deserve the rapid and decisive response they received.

~John Boehner

Will we fight or will we retreat? That is the question that is posed to us. Some of my friends on the other side of the aisle often refer to Iraq as a distraction.

~John Boehner

They have called Operation Iraqi Freedom a war of choice that isn't part of the real war on terror. Someone should tell that to al Qaeda.

~John Boehner

We can continue to make significant strides in the scientific community by exploring new stem cell research methods that do not include destroying human embryos.

~John Boehner

The American people probably aren't going to fall in love with Mitt Romney.

~John Boehner

The American people think the government in Washington is too big. That it spends too much. And - and that it's totally out of control. They want something done about it.

~John Boehner

The United States did not choose to fight Islamic extremists. These terrorists chose to fight our way of life. They chose to challenge our existence.

~John Boehner

Protecting the institution of marriage safeguards, I believe, the American family.

~John Boehner

Stem cell research must be carried out in an ethical manner in a way that respects the sanctity of human life.

~John Boehner

And that is why marriage and family law has emphasized the importance of marriage as the foundation of family, addressing the needs of children in the most positive way.

~John Boehner

Just because you have a right to do something in America does not mean it is the right thing to do.

~John Boehner

I grew up in a big family. You have to learn to get along with each other... get things done as a family.

~John Boehner

When you raise the price of employment, guess what happens? You get less of it. Why do we want to make it harder for small employers to hire people?

~John Boehner

Remember when Ronald Reagan was president? We had Bob Hope. We had Johnny Cash. Think about where we are today. We have got President Obama. But we have no hope and we have no cash.

~John Boehner

The American people will not tolerate a clean increase in the debt limit.

~John Boehner

We believe the super stock option will become a reality before the end of 2000, ... It's a good idea whose time has come.

~John Boehner

Every cow in the world, you know, when they do what they do, you've got more carbon dioxide.

~John Boehner

Listen, you only tease the ones you love.

~John Boehner

We spend more money on antacids than we do on politics.

~John Boehner

I always believe when your political opponents are committing suicide, there's no reason to murder them.

~John Boehner

In this time of challenge, I am asking the prime minister to address Congress on the grave threats radical Islam and Iran pose to our security and way of life.

~John Boehner

The bill that was about jobs, jobs, jobs has turned into a bill that's about spending, spending, spending.

~John Boehner

I would say to the president: This is not about me. This is not about Republicans here in Congress. It's about fairness for the America people.

~John Boehner

I am not for raising taxes on the American people in a soft economy.

~John Boehner

Each and every day, Israel's very existence is at stake.

~John Boehner

Our manifesto, whatever it will be called, will come from the people who are really in charge of this country, and that's the American people.

~John Boehner

When I met Paul Ryan 22 years ago, he was a student at Miami of Ohio volunteering on my campaign.

~John Boehner

Spending time with America's soldiers is always inspiring.

~John Boehner

You can't be somebody that you're not, because all of you shows up.

~John Boehner

Every family in America knows they have to do a budget. Every small business in America knows they have to do a budget. Every local government, every state, knows they have to do a budget.

~John Boehner

I'm what you'd call a regular guy with a big job.

~John Boehner

My dad and my uncles owned a bar outside of Cincinnati. I worked there growing up, mopping floors, waiting tables.

~John Boehner

I've got 11 brothers and sisters.

~John Boehner

I think that the Detroit auto industry is important to the United States. It's important for hundreds of thousands of Americans who have their jobs as a result.

~John Boehner

My opinion is borne out of my childhood, my faith, my beliefs. That marriage is between one man and one woman.

~John Boehner

The American people have issues. They've got concerns. We need solutions, solutions to the issues that the American people care about that are built on our principles.

~John Boehner

Jeb Bush is my friend. I think he'd make a great president. I've nudged him for some time.

~John Boehner

Clearly while the president is overseas, he's at a conference and while the president is overseas I think it's appropriate that people not be critical of him or our country.

~John Boehner

We're going take a common-sense, step-by-step approach that puts in place the kind of policies that will make our- our health insurance system more what I call patient-centered and lower cost.

~John Boehner

The world is starving for American leadership. But America has an anti-war president.

~John Boehner

We ought to be judged on how many laws we repeal.

~John Boehner

How can we tax people for not buying a product from a website that doesn't work?

~John Boehner
