*People, Guitar, Band, Albums, Coming Out, Netherlands, Ghouls, Age,
America, Fart, Rottweilers, Heavy Metal, Agriculture, Quiet, Book, Ends, Fish
Tanks, Very Happy, Sea, Add*

I set myself up to be a bass guitarist and bass players get a lot more work than people like me.

~John Entwistle

I can't stand rap....people who can't sing do rap....you can sing rebellion as well as talk it....Hitler would have been in a rap band.

~John Entwistle

We have nine hungry Rottweilers on the farm.

~John Entwistle

I ain't quiet.. everybody else is too loud.

~John Entwistle

I'm only interested in heavy metal when it's me who's playing it. I suppose it's a bit like smelling your own farts.

~John Entwistle

I have got an anthology album out. The American version has got the same mixes but the European version, I remixed them in the studio and added a couple of things that I have always wanted to add.

~John Entwistle

So by the time I taught myself the bass guitar at the age of 14, my hands were already pretty nimble.

~John Entwistle

The Netherlands are wet, flat and full of stoned people.

~John Entwistle

I am writing a book and that takes third place of importance.

~John Entwistle

I deep sea fish a lot.

~John Entwistle

I ain't heard anyone play like I do in my band and I am very happy about that.

~John Entwistle

With bass, especially bottom end, the vibration has to happen on stage otherwise the feel is wrong. This is why you can't scale the equipment down too far.

~John Entwistle

I don't wish my career on anyone.

~John Entwistle

I love playing for people.

~John Entwistle

I supply the music for Vampires, which is a new series that's coming out.

~John Entwistle
