Wisdom is looking back at your life and realising that every single event, person, place and idea was part of the perfected experience you needed to build your dream. Not one was a mistake.

~John Frederick Demartini

Until you value yourself, you can't expect anyone else to do so.

~John Frederick Demartini

A master lives in the world of transformation, not the world of loss and gain.

~John Frederick Demartini

The reality is that whatever you are looking for is, at the same time, looking for you. It all starts with believing before seeing.

~John Frederick Demartini

When you follow the dream in your heart, you're energised, inspired, & motivated.

~John Frederick Demartini

Our health is what we make of it - give it attention and it improves, give it none and it subsides.

~John Frederick Demartini

Your inner-most dominant thoughts become your outer-most tangible reality.

~John Frederick Demartini

If you don't have a cause bigger than yourself, you won't get beyond yourself.

~John Frederick Demartini

Incurable means curable from within.

~John Frederick Demartini

There is a vast intelligence running this world, and everything is in order; nothing is missing

~John Frederick Demartini

Whatever we think about and thank about we bring about

~John Frederick Demartini

If you look really carefully, when it comes to the Secret, the power or our mind, the power of our intention in our daily lives, it's all around us. All we gotta do is open our eyes and look.
