We usually surprised everyone, and still do, as we keep the craziness onstage.

~John Gallagher, Jr.

I've always loved musical theatre. I've always been a big kind of closeted musical theatre nerd. I really have always dreamed about being able to do musical theatre.

~John Gallagher, Jr.

We knew we did not want to record at Impulse Studios again, after the experience of recording in a 'real' studio in London for the Radio One session we did.

~John Gallagher, Jr.

Words often spoil a moment of judgment or excitement; in all great puzzles and wars and movements, there is a moment to speak and a moment to accept with silent dignity.

~John Gallagher, Jr.

I forget sometimes that I'm in the HBO stable because I am such a fan of so much of their programming. Like, *The Wire* is my favorite TV show of all time.

~John Gallagher, Jr.

I wasn't a good rule-breaker when I was younger.

~John Gallagher, Jr.

If one student is unable to get online, it cripples that student's team and puts the whole course in jeopardy.

~John Gallagher, Jr.

Once you get into the groove of things and in the mood you are usually fine; it is before the event that you get nervous and irritable.

~John Gallagher, Jr.

I'm a huge fan of John Malkovich and Josh Brolin, and Michael Shannon has got to be one of my favorite actors.

~John Gallagher, Jr.

It's kind of a little fly-on-the-wall look at these people trying to stay sane.

~John Gallagher, Jr.

When you're reading the news and sometimes you just think, "How bad can things get"?

~John Gallagher, Jr.

I moved to New York to do a play when I was 18.
