Anyone can be falsely accused of a crime. Everyone accused of a crime deserves a fair trial.

~John Garamendi

We must develop energy independence; we must Make It In America.

~John Garamendi

For centuries, America has led the world on a long march toward freedom and democracy. Let's reclaim our clean energy leadership and lead the world toward clean energy independence.

~John Garamendi

Every American deserves their day in court. Every American is innocent until proven guilty. These are core values enshrined in our founding document - the United States Constitution.

~John Garamendi

Reaffirming the justice of the American system bolsters our legitimacy with allies, thereby encouraging further cooperation and improving our national security.

~John Garamendi

I have been absolutely clear where I'm coming from about health care reform. This is something this nation has to do and a robust public option has been the mantra of my campaign from the very outset.

~John Garamendi

Clean energy is good for the environment, good for national security, and good for thousands of Americans who desire a rewarding career.

~John Garamendi

Mother Nature comes up against reality, and the reality is that the system doesn't work.

~John Garamendi

I am deeply skeptical of re-entering into Iraq's civil war.

~John Garamendi

In 2003, Congress should have resisted the rush to a war of choice with Iraq. I will do everything in my power to prevent us from repeating the mistakes of my predecessors.

~John Garamendi

The use it and lose it problem is pervasive, affecting more than 40,000 Californians a year.
