

# John Kleinig

## Quotes

*Loyalty, Police, Thinking, Philosophy, Philosophical, Priorities, Teacher, Commitment, Moral, Ethics, Political, Possibility, Dignity, Moving, Writing, Technology, Virtue, Culture, Book, Perseverance*

I see ethical considerations as having a certain priority in our interactions - passing judgment on our political and legal processes.

~John Kleinig

I see loyalty - roughly perseverance in relational commitments despite the cost of such perseverance - as an important human value/virtue. Think of it as a kind of relational glue.

~John Kleinig

Think of loyalty as a kind of relational glue.

~John Kleinig
