In conclusion, I submit that, far from science having buried God, not only do the results of science point towards his existence, but the scientific enterprise itself is validated by his existence.

~John Lennox

Atheism is a fairy story for people afraid of the Light.

~John Lennox

Nonsense is nonsense even when spoken by world-famous scientists.

~John Lennox

Faith is a response to evidence, not a rejoicing in the absence of evidence.

~John Lennox

I'm not John Lennon. I'm John Lennox. Now, 'imagine a world without Stalin. The New Atheists are often silent about [the wrong done by atheists].

~John Lennox

Humans alone are created as rational beings in the image of God, capable of a relationship with God and given by him the capacity to understand the universe in which they live.

~John Lennox

People don't like preaching, but discussion, presenting a case, and that's important. Therefore, I think we need to learn to dialogue much more.

~John Lennox

It seems to me that a Christian like myself is presented with major problems, but they're nothing like the problems of the atheist.

~John Lennox

Not every statement by a scientist is a statement of science.

~John Lennox

Christianity, sharing the Christian faith, in common, gives you instant friendship, and that is the remarkable thing, because it transcends culture.

~John Lennox

The Founding Fathers of America never intended to stop people expressing their faith in the public square. But unfortunately that is the way it is happened.

~John Lennox

I usually have a very clear idea of where I want a song to go, sometimes very specific notes, but I'm generally open to suggestions.
