

John McAfee

Quotes

*Would Be, Years, Thinking, Bitcoin, Ideas, Making Money, America, Ifs, Viruses,
Foolish, Roots, States, Men, Can Do, Disguise, Use, Thank You, Sane,
Common, Smartphones*

True love has no object. It is a state of being.

~John McAfee

You can't stop things like Bitcoin. [...]. It's like trying to stop gunpowder.

~John McAfee

The problem of viruses is temporary and will be solved in two years.

~John McAfee

Bitcoin, generally, is a great idea. Keeping wallets on smartphones is the worst idea of the decade

~John McAfee

Disobedience is the vehicle of progress.

~John McAfee

More than one of my girlfriends tried to kill me a few times.

~John McAfee

Living with one woman is horrific.

~John McAfee

To say what your disguise is would be foolish.

~John McAfee

The world chooses to think what the world thinks.

~John McAfee

I simply would like to live comfortably day by day, fish, swim, enjoy my declining years.

~John McAfee

If operating in a network environment, do not place public domain or shareware programs in a common file-server directory that could be

accessible to any other PC on the network.

~John McAfee

I do know that the world knows or thinks that I have money and lots of it. They perceive me as an old weak man and an easy target.

~John McAfee

Making money is easy. It is. The difficult thing in life is not making it, it's keeping it.

~John McAfee

I would describe myself as quite sane and lucid, which is why I'm still alive.

~John McAfee

Any idiot can make money. Keeping money, very few can do.

~John McAfee

A good example is more irritating than a bad one.

~John McAfee

I would be very happy to go to America. America is where I was raised and that's exactly what I want.

~John McAfee

I have dual citizenship; I would be happy to go to England. I would be very happy to go to America.

~John McAfee

I am looking at opening a school of social engineering. The McAfee School of Social Engineering has a nice ring to it. Beyond that, it is hard to say what life will bring my way.

~John McAfee

History is sympathetic to its authors.

~John McAfee

If you have the winning cards, why cheat?

~John McAfee

If the majority holds some thing of value, you can be certain it has none.

~John McAfee

Ignorance and confidence are constant companions

~John McAfee

Opinions need a willing ear.

~John McAfee

If you own the facts, you may distort them as you like.

~John McAfee
