There is a certain phase in the life of the aged when the warmth of the heart seems to increase in direct proportion with the years.

~John Phillips

Faith is a reality and it reaches out to facts that are more solid, more real, more substantial, and more eternal than anything registered by our physical senses.

~John Phillips

We will continue to see a convergence of the digital and physical world. Those who conquer that trend will be market leaders.

~John Phillips

It's thrilling. There's birth and death and frustration and victory in raising horses. It's like a little microcosm of life is built into the short lives of these creatures.

~John Phillips

If you're going to San Francisco, be sure to wear some flowers in your hair, if you're going to San Francisco, you're gonna meet some gentle people there.

~John Phillips

Ultimate stupidity: Mistakenly thinking you will get what you want by complaining about and focusing on exactly what you don't want.

~John Phillips

The way you can recognize to what you are committed to is by your actual results. What you have gotten in life is a direct result (good or bad) to what you have been committed to.

~John Phillips

When the sappy boughs Attire themselves with blooms, sweet rudiments Of future harvest.

~John Phillips

It is worthwhile for anyone to have behind him a few generations of honest, hard-working ancestry.

~John Phillips

It's been a great adventure, everything I hoped for. But it's time to go home. I miss my family. I miss the Earth.

~John Phillips

Technology makes things faster and more cost-effective, but it's not perfect. It requires you to be as flexible as you can be.

~John Phillips

We constantly learn new lessons up here. The experiences we gather will enable us to establish a long-term station on the moon and to go on to Mars.

~John Phillips

No amount of anxiety or worry is going to make any difference to anything that's going to happen anyway, so why let yourself feel so heavy?

~John Phillips

Traditionally, songwriters can't sing. And that holds true in my case, also.

~John Phillips

Should and should not's are the furthest form or non-reality there is even the best scientists can't track what does.

~John Phillips

Happy the Man, who void of Cares and Strife, In Silken, or in Leathern Purse retains A Splendid Shilling: He nor hears with Pain New Oysters

cry'd, nor sighs for chearful Ale

~John Phillips

Little pains In a due hour employ'd great profit yields.

~John Phillips

My galligaskins, that have long withstood The winter's fury, and
encroaching frosts, By time subdued (what will not time subdue!), A
horrid chasm disclosed.
