It's time to find out what the truth really is that's out there.

~John Podesta

I think that what we've been able to do is put together both a good group of scholars and analysts and people who aggressively want to make the case to the American public.

~John Podesta

I believe that President Clinton considered the legal merits of the arguments for the pardon as he understood them, and he rendered his judgment, wise or unwise, on the merits.

~John Podesta

Finally, my biggest failure of 2014: Once again not securing the disclosure of the UFO files.

~John Podesta

The American people have the right to know and understand the laws they live under. And they tend to demand answers sooner or later.

~John Podesta

So I think in those circumstances, there's some potential that you could see a big pendulum swing like 1994, which people you thought weren't vulnerable all of the sudden get in trouble.

~John Podesta

Realistically, I think we are not prepared to go home until we do get more teachers and lower class sizes.

~John Podesta

I think that people have to have to have a sense of what ideas are one the progressive side, the Democratic side in order ultimately to be effective in the political world.

~John Podesta

Hillary Clinton is not done yet.

~John Podesta

Donald Trump has been someone who has basically taken every position that Vladimir Putin has.

~John Podesta

Hillary Clinton has done amazing things and she's not done yet.

~John Podesta

Ultimately I think what people care about, particularly on an issue like Social Security, is not really what's right and what's left but what's right and what's wrong.

~John Podesta

I think ... that things are a little bit up for grabs right now.

~John Podesta

Resignation is just simply out of the question.

~John Podesta

If medicine was practiced in 1965 the way it's practiced today, there's no question that prescriptions would have been included in Medicare.
