Medicine, Campaigns*

Animals do not 'give' their life to us, as the sugar-coated lie would have it. No, we take their lives. They struggle and fight to the last breath, just as we would do if we were in their place.

~John Robbins

Awareness is bad for the meat business. Conscience is bad for the meat business. Sensitivity to life is bad for the meat business. DENIAL, however, the meat business finds indispensable.

~John Robbins

Remember that one who forgets the language of gratitude can never be on speaking terms with happiness.

~John Robbins

You know that a majority of the medical costs that are bankrupting families, companies, and nations could be eliminated with better nutrition.

~John Robbins

A reduction in meat consumption is the most powerful single act that you can take to halt the destruction of our environment and preserve our natural resources.

~John Robbins

Every time you make a choice that expresses respect for life, you bring a little more love in your body, into your family, into our society, and into a world that is calling out for this blessing.

~John Robbins

The level of consumption that we identify with success is utterly unsustainable. We're gobbling up the world.

~John Robbins

One day people will look back with amazement that we ever sought to

grow our food with poisons.

~John Robbins

In the never-ending battle between order and chaos, clutter sides with chaos every time. Anything that you possess that does not add to your life or your happiness eventually becomes a burden.

~John Robbins

Every so often a book comes along that has the power to alter the course of history. Project Animal Farm is that potent.

~John Robbins

I believe that eating simple food in a healthy body with a clean conscience is more pleasurable, and infinitely more satisfying, than eating decadent food that makes you and your world ill.

~John Robbins

Give away your love, freely and without expectation. Give it away, and soon your life will be filled with love, and you will have set others on the path of love and peace.

~John Robbins

It's always better to feed your enemies than to fight with them.

~John Robbins

Eating in a hurried or unconscious way, as so many of us have learned to do, is like receiving a love letter from the earth, but never taking the time to carefully read it.

~John Robbins

It may be healthier to eat beer and franks with cheer and thanks, than to eat sprouts and bread with doubts and dread.

~John Robbins

Chiropractic works in harmony with the basic healing forces of the body, whereas the allopathic, western medical establishment doesn't have nearly as holistic a vision.

~John Robbins

In California today, you may save more water by not eating a pound of beef than you would by not showering for six entire months.

~John Robbins

Faith is not a matter of trusting that events will always occur to our liking, but of trust that, whatever happens, our inner resources will be equal to the moment.

~John Robbins

The fork is the most powerful tool ever placed in our hands.

~John Robbins

Gross National Happiness is more important than Gross Domestic Product. attr to Buthan's King Jigme Singye Wangchuck

~John Robbins

Jesus prescribes a doctrinal test for false prophets because a behavioral test is unreliable.

~John Robbins

Adding last-minute features, whether in response to competitive pressure, as a developer's pet feature, or on the whim of management, causes more bugs in software than almost anything else.

~John Robbins

Dream of a society at peace with its conscience because it respects and lives in harmony with all life forms.

~John Robbins
