I've had a fairy tale life. I had a perfect family, a beautiful childhood, an incredible upbringing. I lived a lot of life but a lot of good life.

~John Stamos

I went to Broadway and I've been doing some fun guest spots with 'Entourage' and 'Glee' and I'm ready to have my own show.

~John Stamos

When I was 16 or 17, I remember kissing one of my first girlfriends, Kim Anderson, under a stairwell at Disneyland. I'll never forget that feeling.

~John Stamos

This is an old family secret, and I just found this out recently, and it almost broke my heart. My mother said to me, 'I had never told you this, but God, you were an ugly baby'.

~John Stamos

I swim, I do Pilates, I meditate - I think it's about keeping your stress level as low as you can.

~John Stamos

I'm finally looking older and inviting my wrinkles.

~John Stamos

I'll be able to pull off playing an unlikable character because inherently, I think I'm likable.

~John Stamos

I like to sing with people, whether they're good or not.

~John Stamos

These younger kids - I think growing up with social media, they're just savvy.

~John Stamos

I like when guests come over early and we chop veggies and talk and play music.

~John Stamos

For so many years, fans and friends have been wanting me to succeed and be back on TV every week, which hasn't happened since 'Full House.' I feel like I came through for them.

~John Stamos

I have never been so calculating as to sing some Barry White song to get a girl. But I do think it's very romantic to cook dinner and sit around the piano at night and sing together.

~John Stamos

I grew up doing sitcoms and theater and even playing with the Beach Boys, where you're programmed to perform, your body gets into a rhythm and you know it has to perform.

~John Stamos

I once dated someone who worked at McDonald's. She came up and asked if I wanted a Big Mac.

~John Stamos

I don't do anything or have any magical secret or something, other than drinking baby's blood, of course.

~John Stamos

I'm not the guy who bursts into the room. I'm the most insecure person

you'll meet if you get to know me.

~John Stamos

Maybe now it's time to take some chances on TV and push the boundaries with what I can do on television.

~John Stamos

I do know I want to have children. That's the only thing missing in my life. I certainly thought I'd have some by now.
