

John Travolta Quotes

*Thinking, Kids, Believe, People, Men, Years, Mean, Careers, Feelings, Art,
Jobs, Sex, Life, Acting, Littles, Son, Looks, Firsts, Needs, Character*

Misdirection. What the eyes see and the ears hear, the mind believes.

~John Travolta

I probably have some sort of chocolate five times a week. There's definitely a change it does to the chemistry of the body. It's my favorite feeling. I live for it.

~John Travolta

I don't believe in regrets; I believe your future is in your tomorrows.

~John Travolta

Hollywood is controlled by homosexual Jewish men who expect favors in return for sexual activity.

~John Travolta

Sports, entertainment and aviation are three of the most exciting professions in the world; you are dealing with the same magnitude.

~John Travolta

You feel alive to the degree that you feel you can help others.

~John Travolta

He lives with his creativity in high gear.

~John Travolta

It's hard to make a cultural phenomenon every time.

~John Travolta

Never say anything unless you have to.

~John Travolta

I have to believe there's some other life force out there. I don't know in what form. But we can't have all these galaxies and universes without something going on.

~John Travolta

Acting is a mix of luck and choice. I got lucky.

~John Travolta

It's easier to be responsible for the decisions that you've made yourself than for the ones that other people have made for you.

~John Travolta

The promise of change doesn't always mean something changes.

~John Travolta

You just activated a nuclear warhead, my friend.

~John Travolta

Every day my mother had tea. My dad has his ritual cigar. They had their evening cocktail. Those rituals were done nicely, with flair and feeling.

~John Travolta

When all else fails, fresh tactics!

~John Travolta

Dancing's part of my soul. I enjoy it, it makes people happy, and it makes me happy.

~John Travolta

So you know what I'm gonna do? I'm gonna do something really outrageous, I'm gonna tell the truth.

~John Travolta

Everything is on its way to somewhere.

~John Travolta

I've always thought that as long as I did the right things and had the right intentions, everything would fall into place.

~John Travolta

As you get older you have to force yourself to have new dreams.

~John Travolta

There are two areas where you can't stop people misbehaving: eating and sex

~John Travolta

I believe in love and marriage, but not necessarily with the same person

~John Travolta

One of the things about the whole Harley motorcycle culture is that it's a little bit renegade.

~John Travolta

Your life starts to take shape at 30. You don't have to make excuses for who you are anymore.

~John Travolta

Money and power come as a byproduct of things well done.

~John Travolta

You have a freedom in playing the villain. You can be a lot more out there, really. And there is a joy in that. There is a joy in kind of making a zone of psychoses.

~John Travolta

Life is overwhelming. Life is not easy. Life is tough and you need something that really works and helps you actually, not promises to help you, then fail.

~John Travolta

The first thing I ever rode when I was a kid was a motorcycle, so I knew how to drive a motorcycle before a car.

~John Travolta

There are unwanted emotions and pain that goes along with any birth.

~John Travolta

I think, for sure, 'Saturday Night Fever' and 'Pulp Fiction' were kind of bookends for - or the pillars of - my career.

~John Travolta

I was just thinking of James Dean and Marilyn Monroe and how young they were when they died. I would like to be a pop icon who survives. I would like to be a living icon.

~John Travolta

I think my friend Tom Hanks knows me. He understands me very well. He's always had a sort of parental feeling toward me. He knows I'm a big mush ball, which is just part of my personality.

~John Travolta

If you are going into show business for money and power, forget it! It won't happen. You don't go for that first.

~John Travolta

It is about getting a sense of integrity about issues. That was was my enlightenment over it and knowing that I had a safe place to go to handle anything in life.

~John Travolta

At fifty you realize that you are no longer a kid. I ignored forty. It was like I was almost at middle age. Maybe it's the baby boomer thing. But

undeniably, I am a man. I have to accept [mortality].

~John Travolta

If you're going to play a woman, you might as well play a woman that you liked, and someone sexy.

~John Travolta

The women I liked when I was growing up, as a little boy, were Anita Ekberg, Sophia Loren, Marilyn Monroe and Elizabeth Taylor, because they had these curvaceous figures, and they were erotic to me.

~John Travolta

I don't mind gearing my life towards privacy. It's my nature.

~John Travolta

I have 12 paintings of Kaufman art. He is an amazing artist.

~John Travolta

Well, I enjoy my life. You know, I think life is an art, and that one has to live it as an art. That's your choice.

~John Travolta

I don't think I'm very cool as a person. I'm just better than anyone else at acting cool.

~John Travolta

When I was 8, I got a little toy propeller plane: You could turn it on and the people disappeared from the little windows and stewardesses appeared, and it ran along the ground.

~John Travolta

Let's share our abundance and make our country stronger.

~John Travolta

I like talking about sex. Especially when I'm horny, but even when I'm not.

~John Travolta

I am not at all computer literate in real life. I haven't yet found a reason to be. Once I find a reason why I need to be on the Internet, then I will be.

~John Travolta

You know, I've never killed a man before. I mean I dropped bombs on the enemy from the above, but never face to face. [thinking pause] I don't see what the big deal is - I really don't.

~John Travolta

I actually do like playing off-beat people. I think it's more fun.

~John Travolta

I've always thought of, of a relationship with an actor to an audience as a marriage, you know. And a story, you know. And there are ups and downs, and you work through them, and you work with them.

~John Travolta

I've ridden a bike since I was 18. It was the first transportation when I came to Hollywood because it was inexpensive and easy for me.

~John Travolta

When I was a very little boy I lived underneath the air pattern of LaGuardia airport in New York and I watched the planes fly to their destinations. I was in love with the design of these airplanes.

~John Travolta

I think what you have to do is have a box office success in every genre and then you're set for life. And fortunately, I happened to do that, so I get a myriad of offers of various sorts.

~John Travolta

I will direct one day, but I have a feeling that it will be very limited.

~John Travolta

You gotta learn to laugh, it's the way to true love.

~John Travolta

I've always slightly regretted not taking up Chicago.

~John Travolta

I wouldn't trade my career with anybody's. I'd trade a few movies with Tom Hanks - 'Apollo 13 and 'Forrest Gump' - but other than that, I love my career.

~John Travolta

I don't recall the so-called devilish things I do. But there are considerable amounts.

~John Travolta

In my own life if I knew I was going to pass away I'd love to sit down and resolve every issue so I could go peacefully.

~John Travolta

I had a bike the first time I moved to L.A. I had a Honda and I got around on that. But I'd never ridden Harleys.

~John Travolta

Having kids is something you can't always do. Kids are like lightning. You grab that lightning when you can get it.

~John Travolta

I played football in the ninth and 10th grade. I looked a lot like Joe Namath, so I think my looks got me there more than my abilities.

~John Travolta

I love fun movies that also have something to say. They tend to stay with me, always.

~John Travolta

I love being regarded as a sex symbol, but I can't take it too seriously.

~John Travolta

I have a dance background. I have an athletic background.

~John Travolta

After nine or 10 years of being interviewed, you start wanting to team up with the reporter and get the job done.

~John Travolta

I was always a character actor, basically, that sometimes looks like a leading man.

~John Travolta

I'm too busy looking for the next role to do. I think about how to continue, to survive in the same vein. I like my career and my life as it is.

~John Travolta

My road trips have been to Vegas, but you know, what happens in Vegas stays in Vegas.

~John Travolta

I rode many bikes and motorcycles. My brother was in an accident when he was a kid and my mom forbade us to use motorcycles.

~John Travolta

A lot of actors never talk to other actors about how they're doing things,

or why. I think it's important to share the way you're thinking.

~John Travolta

I told my manager, 'If we can't do the things now that we want to do, what good is the power?... Let's test it and try to get the things done that we believe in.'

~John Travolta

Autism and seizures are the least known areas of illnesses.

~John Travolta

Good writing is good writing, but that doesn't mean you can't orchestrate it or tweak it.

~John Travolta

The upper echelon of the movie industry is easier to deal with and the work is much easier to accomplish because of this generosity of spirit and confidence that they instill in the group around them.

~John Travolta

I'm not big on sequels; I've done them, but I like doing little things that have their own timelessness to them, classic type things, and then you go onto something new.

~John Travolta

And now after all this time I finally figured out how to trap him... I will become him.

~John Travolta

I've always had an innate ability to dance, but I'm not as spiffy as those cinema legends like Gene Kelly and Fred Astaire.

~John Travolta

It's difficult for me to diet, so I don't. So, I make up for it in exercise.

What I am willing to eat, I have to be willing to work off. It's that simple.

~John Travolta

You have to remember everything you've created. But then comes a moment when it's all automatic pilot, where it all comes together and you don't have to think about it any more.

~John Travolta

I think aerobatic flying is athletic. I don't do aerobatic flying, but I would put that in a category of a sport. I would put regular flying in the category of an art or machine-type thing.

~John Travolta

I am very healthy. Career wise, even old men get to be in movies. So as long as I am healthy, I will continue to make movies.

~John Travolta

I like to fly at least once a day.

~John Travolta

To Americans religious freedom is sacred.

~John Travolta

Playing President Clinton (in Primary Colors) was risky and challenging. Some people thought Saturday Night Fever was risky, because no one had danced in movies for years.

~John Travolta

It's the interviewee's job to know that his privacy is going to be invaded on some level. Otherwise, you are better off not doing the interview.

~John Travolta

I learned early on that there are certain things you can control in the press, and things you cannot.

~John Travolta

I'm willing to look my own nightmare on film, but if it endangers my life, then I'm willing to put my life before movies.

~John Travolta

Even if the script's well written there's something about the life of an improvisation that resonates better than a written word, sometimes.

~John Travolta

I try to balance independent films with commercial films, and I've done a pretty good job of it over the years.

~John Travolta

My frank response to all sex questions is that there is too much significance put on them to begin with. Sex is part of human nature, and I don't know why such a big deal is made out of it.

~John Travolta

My son was autistic, and he suffered from seizure disorder every 5 to 10 days. He would suffer a seizure that would last 45 seconds to a minute and sleep for 12 hours.

~John Travolta

I called my son Jett and I wanted to call my daughter Qantas, but my wife wouldn't let me.

~John Travolta

I've never had that concern of thinking of myself as stupid.

~John Travolta

If I'm androgynous, I'd say I lean toward macho-androgynous.

~John Travolta

You can't control the quality of projects that are coming to you, so if you get several in a row that are quality, you take them.

~John Travolta

There's no rule that everyone has to change.

~John Travolta

Tom Cruise has-we all have-the right to practice how we feel...don't judge someone until they have tossed your salad.

~John Travolta

I believe L. Ron Hubbard resolved the human mind, and in resolving it he has also resolved human pain - that's what I really think has happened here.
