Things, Zeppelins, Talking*

The shirt may be cut slimmer or looser, the suit might be darker or lighter, the sneakers might not have laces, but you're still talking about shirts and suits and sneakers.

~John Varvatos

A part of my kind of design and inspiration ethos is that I carry around a leather notebook and I sketch in it, doodle in it, write notes in it and I put pictures in it.

~John Varvatos

Our philosophy is about reaching back to move forward. We have something different to say with a sensibility that is both old and new.

~John Varvatos

It's not so much the color of suit as it is about the fit, cut, style, and, of course, attitude you have when wearing it.

~John Varvatos

You haven't seen me in my own ads. You don't see my logo all over my clothes. From the beginning, I wanted the clothes to stand on their own.

~John Varvatos

Bruno Mars is pretty fashionable. Gary Clarck Junior, who was also in our ad with Jimmy Page, is a super super stylish guy.

~John Varvatos

I believe that if you think about what style means, you won't become a fashion victim.

~John Varvatos

I loved the MC5 and the Stooges, but also, the British Invasion - the Kinks and the Yardbirds - and then Led Zeppelin, of course. Alice Cooper was one of my favorite bands.

~John Varvatos

The biggest ones [online stores] I go back to are Amazon.com and eBay.com because it's great for music and books... I collect vintage vinyl records.

~John Varvatos

I spent a lot of years working for Ralph Lauren, and he had so many copycats, from Tommy Hilfiger to Abercrombie & Fitch to J.Crew.

~John Varvatos
