I bought a little hideaway up north, so I'll ship my motorcycle up there. It's much less dangerous than West Hollywood.

~Johnny Galecki

Right now, I'm very healthy. I have no vices left. Except sugary breakfast cereal. And absinthe, of course.

~Johnny Galecki

It's that one thing that you're passionate about, that you end up developing tunnel vision for and everything else tends to fall by the wayside. Passion is appealing and universal.

~Johnny Galecki

People are complicated; you put two of them together and it's generally a mess, but hopefully a beautiful mess.

~Johnny Galecki

It's always a really great thing to have an actor that does make you want to up your game. It naturally motivates you to do and try things that maybe you wouldn't necessarily do or try.

~Johnny Galecki

I haven't really addressed those rumors because why defend yourself against something that isn't offensive?

~Johnny Galecki

I don't know what to do with myself between films. I end up doing unhealthy things like shopping or drinking. I'm pretty schizophrenic about it.

~Johnny Galecki

I know a lot of incredibly, profoundly talented, skilled people that aren't given certain opportunities or any opportunities, and that aren't working.

~Johnny Galecki

I love to work. I absolutely love to work.

~Johnny Galecki

I used to know Jennifer Love Hewitt. We lived in the same apartment building when I was about... jeez, I guess it was when I was doing 'Christmas Vacation', so I was about 13 or 14.

~Johnny Galecki

Perhaps 'Big Bang' fans feel so protective of the show because it is, despite being a hit show on a big network, something of a word-of-mouth phenomenon.

~Johnny Galecki

I'm not at all competitive. I'd rather play Solitaire than ping-pong.

~Johnny Galecki

We didn't have a TV because we didn't have a whole lot of money. My parents would have their friends over - their friends who thought, 'How can you live without a TV?'

~Johnny Galecki

In a series, you really need to stay open-minded. It's not like a play or a film, where you can create and fully commit to your character's back-story.

~Johnny Galecki

It's never been a priority for me to concentrate on the likability of the character.

~Johnny Galecki

We've all seen great actors and actresses who are missing a certain chemistry. And it's not about getting along or not getting along.
