You know they say the most dangerous person of the world is a member of the United States Congress just home from a three-day fact-finding trip.

~Johnny Isakson

The people of Iraq are grateful for what the people of the United States of America and our armed forces and our coalition forces are giving them the opportunity to do.

~Johnny Isakson

I've done everything I can as a United States Senator to educate myself on the carbon issue and the climate change issue.

~Johnny Isakson

Well, the truth is always what should be told. And the truth and the knowledge of the truth is what everybody should represent, regardless of the consequences of doing it.

~Johnny Isakson

I make it a point to go home every weekend so I can meet with Georgians and hear from them directly.

~Johnny Isakson

We're at war against the ultimate evil in the world, and We're going to win.

~Johnny Isakson

When you have 8,000 veterans a year committing suicide, then you have a serious problem.

~Johnny Isakson

Sequestration was not designed to be anyone's ideal method for getting our hands around government spending, and it certainly isn't mine.

~Johnny Isakson

Commercial real estate always trails residential, and as residential growth flourishes, shopping centers flourish and service the communities, and jobs come out.

~Johnny Isakson

We must do a better job of educating all drivers to be safer on the road.

~Johnny Isakson

You ought to dialogue first before you start throwing spears. And I think the U.N. provides an opportunity for dialogue.

~Johnny Isakson

You know, if you didn't pay close attention, you'd think we were the only people in Iraq and the only people fighting the terrorists.
