I think anytime a movie can inspire you to think and reflect and look at your life, it's a success.

~Jon Bernthal

Some people that are heroes to some can be looked at by another group of people as villains. As far as a middle point, just speaking for myself, that's exactly what to avoid.

~Jon Bernthal

I wanted to be kicked and hit and bruised up and beaten. It became something that was an absolutely necessary part of every day for me.

~Jon Bernthal

I want people to think about everyone in their life, and their responsibilities to their friends, their families and their country.

~Jon Bernthal

I think it helps, as an actor, to never know when you're going to get that next script and you're done.

~Jon Bernthal

I played baseball in college, and then I went to Russia to study acting and played some pro ball over there.

~Jon Bernthal

If you can figure out how to get paid to do something you love, that's the dream.

~Jon Bernthal

Bugs have always loved me.

~Jon Bernthal

I mean, I hate when actors talk about how hard their job is. It's ridiculous, because we have the best job in the world.

~Jon Bernthal

I've never been a big gore guy.

~Jon Bernthal

I'm not a big shopper.

~Jon Bernthal

I played sports in high school and in college.

~Jon Bernthal

I think any time you can go after an audience that isn't built in, that's the job.

~Jon Bernthal

I come from athletics and I have a pretty big boxing background, so I never really shy away or get nervous about the physical rigors of filmmaking.

~Jon Bernthal

We all come from different levels, and I think every human has their own relationship to violence, athletic violence and fighting.

~Jon Bernthal

I hope that I would put whatever my political beliefs aside, and realize that my country's asked me to do something, and do it.

~Jon Bernthal

I think that, just like the art scene and the music scene is exploding in LA - I mean, let's face it: if you want to be an artist you cannot live in New York anymore because it is too expensive!

~Jon Bernthal

I did come to L.A. to try to get on TV and get in front of a camera, so I

could have a stage career in New York.

~Jon Bernthal

My time in Moscow made a man of me. There was a reality and a brutality of life that I think was very important, as a young American, for me to see.
