

# Jon Tester Quotes

*Thinking, Priorities, Kids, Hands, Country, Sex, Montana, Physique, People,  
Agriculture, Eating, Deals, Jobs, Patriot, Fixing, Mom, Small Business, Return,  
School, Real*

I didnt get this physique by not eating tacos.

~Jon Tester

I take my vacation on the combine and tractor.

~Jon Tester

I think people need to know what they're eating. That's why I support "country of origin" labeling. That's why I support labeling of GMO's.

~Jon Tester

I have great faith in the people of Montana; they can't be bought.

~Jon Tester

Healthcare is very much a high priority for me. Healthcare is also a huge issue for business, both big and small.

~Jon Tester

Montanans elected me to the Senate to do away with shady backroom deals and to make government work better.

~Jon Tester

I want to remain that family farmer independence, which I think is so critical to this country. I think it's helped build this country.

~Jon Tester

I don't want to weaken the Patriot Act. I want to repeal it.

~Jon Tester

Im a farmer. I always will be a farmer. When I die, Ill be a farmer. Its something that Ive wanted to do since I was 8 years old. I can tell you also that I see opportunity slipping away for our kids.

~Jon Tester

I think there is some real therapy in getting your hands in the dirt and

working with food.

~Jon Tester

I was helping my mom grind meat at our butcher shop, and it just hypnotized me. I don't remember sticking my hand in, but it sheared off the three middle fingers and left me with a pinkie and a thumb.

~Jon Tester
