Being Joyful, Heaven, Choices, Frightening*

I walked away from this movie thinking how important it is to have a genuine selfless love for your children. You can really mess kids up if you don't have the right kind of love for them.

~Jonathan Jackson

Not judging people is the fastest way to peace.

~Jonathan Jackson

Gratitude is the root of joy.

~Jonathan Jackson

I'd rather live forever in Heaven than a place where there's terrorism and hate.

~Jonathan Jackson

That's what rock music is, I think - constantly searching for authenticity, and being as honest as possible.

~Jonathan Jackson

"Silence Of The Lambs" is definitely very frightening.

~Jonathan Jackson

When I manage to keep my center, it's usually because I've taken prayer seriously.

~Jonathan Jackson

Being joyful is a choice.

~Jonathan Jackson

Often times, if a character is pretty straightforward, he or she is not as interesting to portray.

~Jonathan Jackson

There's nothing better than actually getting to watch the person and see

his or her mannerisms.

~Jonathan Jackson

I think acting is a gift. I think certain people for some reason just have a gift that they were meant to perform.

~Jonathan Jackson

I would rather portray the hero, if it's a really great film. All my favorite fictional film characters are heroes, such as in "The Last of the Mohicans" and "Robin Hood."

~Jonathan Jackson
