I am an only child and home-schooled, so I have no siblings or classmates.

~Jonathan Krohn

In the book I define conservatism, as I believe it is fit upon four categories of principle: respect for The Constitution, respect for life, less government, and personal responsibility.

~Jonathan Krohn

Conservatism is not about the party, because the party is merely the shell. It is the inside - it's the filling that really means something.

~Jonathan Krohn

I'd like to do policy and I'd like to do philosophy, I'd like to be able to get into the depth, into the meat of the argument - that's the kind of stuff I want to do.

~Jonathan Krohn

I don't think Obama's a socialist or evil, I just think he's wrong and I disagree with him, he's a leftist, that's what they are in France and in Great Britain and in Canada.

~Jonathan Krohn

I want the American people to understand that conservatism... is an ideology of protecting the people and the people's rights.

~Jonathan Krohn

I think that President Obama is beginning to realize that a lot of his plans have backfired.

~Jonathan Krohn

In politics almost all of us are nerds, so that's just a given... but we're cool nerds.

~Jonathan Krohn

My dad thinks Obama is a socialist and all these extreme views.

~Jonathan Krohn

My mother taught me everything I know; how to speak properly, posture, enunciation.

~Jonathan Krohn

Now that I'm a political pundit, I have the ability to influence people.

~Jonathan Krohn

I listened to Bill Bennett and tons of other talk show hosts who talked about that and other policies and started branching out and caring about other issues in regards to politics.

~Jonathan Krohn

As I've been acting since I was young it's taught me to give a good speech, and, though I say so myself, I did it pretty well.

~Jonathan Krohn

Before I got into politics, I wanted to be a missionary to people in the Middle East. I thought it would be better to speak with them in their own language.

~Jonathan Krohn

Bill Bennett really became an idol for me. I listened to him every morning from 6 to 9 for, oh, years.

~Jonathan Krohn

I got into politics when I was eight years old.

~Jonathan Krohn

I have good voice inflection, that's why I'm good on radio. But on TV, I look too big because I move my hands around a lot.

~Jonathan Krohn

The president hasn't come after me yet, but we've had other people come after me!
