Yo can't reason someone out of something he didn't reason himself into.

~Jonathan Raymond

I would never ever condone any violence of any kind. But in the theater of fiction, blood is delightful.

~Jonathan Raymond

I'm the type of spiritual person that doesn't speak openly about their spirituality. Irony is probably my religion.

~Jonathan Raymond

Livability has always struck me as a consolation prize.

~Jonathan Raymond

The debate analysis in the media is rampant with contest analogies of war, baseball, boxing, football; you name it. Any testosterone contest imaginable is fair game.

~Jonathan Raymond

Technology requires knowledge and expertise more than it requires money.

~Jonathan Raymond

I grew up with very little religious training. Actually, like, none. I think what Jewishness I felt as a kid stemmed almost entirely from this atrocity in our family tree.

~Jonathan Raymond

We moved up to Oregon when I was eight, and I think the radical absence of Jewish life here might have strangely made me feel more Jewish. It's a contextual thing I guess.

~Jonathan Raymond

I think these large bureaucratic institutions are created in some way explicitly to inoculate anyone from actual responsibility, to create a much more diffuse and blameless kind of society.

~Jonathan Raymond

I found once you start writing about God it's really fun. It's like a rock singer saying "baby." "Baby, baby, baaayy-by." You start saying "God" on the page and you don't want to stop.
