What inspires me in life? The idea that the work and the rewards and the process is the thing.

~Jonathan Tucker

Mother Nature is a pretty good bioterrorist.

~Jonathan Tucker

You think about acting kind of as an iceberg where you've got that 5% that you see... but in order to have that 5%... you have to have another 95%.

~Jonathan Tucker

I try not to be judgmental. I meditate twice a day. I get some sort of physical exercise. I infuse my life with love. I love what I do, the job.

~Jonathan Tucker

My whole day revolves around food. If you think you've won the day, only because you haven't eaten over 1,000 calories, you know that things are off-kilter. That's not a healthy way to be thinking.

~Jonathan Tucker

If people are talking about my weight cut all the time and are telling me how skinny I like, you have to respect the audience. You also have to respect all of the fighters who do this.

~Jonathan Tucker

I really realized how much happier I am when I'm doing projects that I'm chosen to do, and on the flip side, how much unhappier I am on projects that make me feel uncomfortable.

~Jonathan Tucker

I infuse my life with love. I love what I do, the job.

~Jonathan Tucker

I'm trying to be really synced. It goes back to the idea that, ultimately, the reward is the work.

~Jonathan Tucker

My wife calls me grumpy cat. I'm normally a very pleasant person to be around.

~Jonathan Tucker

You have to defend your character. That's your job, if they're hiring you. That doesn't mean you can't collaborate, but you do have to make some big, bold choices. We do that in real life, too.
