I grew up believing my generation would be better. We would be kinder, we would be more level-headed. We would be more loving. And so many people are missing.

~Jorja Fox

I think 'Make love, not war' might be the most profound statement that's ever been made.

~Jorja Fox

I have been very fortunate in [the entertainment] business, and I am very grateful for that. I wish the same for everyone out there, especially everyone who dares to dream.

~Jorja Fox

I think I'm very easily inspired. People, wildlife, nature, music, art. I think that I'm lucky that I have this great sense of wonderment about life in general.

~Jorja Fox

You've gotta wonder what kind of vibe you're putting out there if you're having really creepy people come talk to you.

~Jorja Fox

Beauty is everything.

~Jorja Fox

There are so many things I want to do! Some are personal. Some are professional.

~Jorja Fox

I eat mostly vegan, try to get enough sleep. For me, that's really critical.

~Jorja Fox

I like to think I'm healthy. I exercise a lot.

~Jorja Fox

I can kind of go into the wild places and immediately feel rested and rejuvenated.

~Jorja Fox

Often, even if I'm struggling with a decision or something, if I just go out into the ocean, that answer will come without thinking about it too much.

~Jorja Fox

I sit every once in a while and I think about plays and films I can do with William Petersen into our eighties. He's the most incredible scene partner I've ever had.

~Jorja Fox

The reason the contracts are so long is because actors are very spontaneous; we may want to do Shakespeare one day and be Porky Pig the next!

~Jorja Fox

If you've got to get fired, it's really fabulous to get fired with a friend.

~Jorja Fox

Maybe the universe will get tired of me.

~Jorja Fox

I haven't gone home with anybody who tried to pick me up in a long time.

~Jorja Fox

If I have a drink in my hand, sometimes it accidentally falls in the direction of the person.

~Jorja Fox

It's so great to have your private relationships play out in the press.

~Jorja Fox

I wanted to be a lead singer in a band. I can't sing. I'm almost tone deaf. I still play. Next life, rock'n'roll for sure.

~Jorja Fox

I'm a yes person. I'm too concerned with trying to make too many people happy.
