*People, Most Amazing, Next, Discovery, Sorry, Holiday, Hot, School, Bottles,
Stories, Culture, Mom, Should Have, Father, Cotton Candy, Community,
Television, Imperfection, Chef, Singapore*

Food is about making an interaction with ingredients. If you talk to them, they will always tell you a story.

~Jose Andres

As chefs, we cook to please people, to nourish people.

~Jose Andres

Cotton candy is the most amazing form of caramelization ever invented by man.

~Jose Andres

The business of feeding people is the most amazing business in the world.

~Jose Andres

I'm sorry for the ducks; I love foie gras.

~Jose Andres

There is nothing better than picking up sun-warmed tomatoes and smelling them, feeling them and scrutinizing their shiny skins for imperfections, dreaming of ways to serve them.

~Jose Andres

I'm always looking to the future and what will next be on the horizon.

~Jose Andres

Every time I open a bottle of wine, it is an amazing trip somewhere.

~Jose Andres

I think every chef should have a food truck. It's a good way to test the markets, to invest in meeting the future restaurant goers.

~Jose Andres

Like many parents after a long family holiday, I usually welcome the

moment when my kids head back to school.

~Jose Andres

The culture of modern Spain is something many people are still discovering.

~Jose Andres

I want e by Jose Andres to be a discovery, to be a journey. I want people to find it and be astonished.

~Jose Andres

I was very impressed with the street food of Singapore. I was very impressed with the dishes that they did.

~Jose Andres

I work with companies like Audiostiles to put together mixes for my restaurants. I even created a soundtrack for my television show.

~Jose Andres
