Differences, Committed, Strong*

By the way, the European Union Member States together - even the euro area Member States together - are by far the biggest contributors to the IMF.

~Jose Manuel Barroso

Norwegian legislation is more in conformity with the rules of the European Union than most member states.

~Jose Manuel Barroso

There is no stability without solidarity and no solidarity without stability.

~Jose Manuel Barroso

In the age of globalization pooled sovereignty means more power, not less.

~Jose Manuel Barroso

Decisions taken by the most democratic institutions in the world are very often wrong.

~Jose Manuel Barroso

The E.U. is founded on the Treaties which apply only to the Member States who have agreed and ratified them.

~Jose Manuel Barroso

Climate action is central for the future of our planet.

~Jose Manuel Barroso

I have full confidence in the IMF. It is a very strong international institution.

~Jose Manuel Barroso

Internal protectionism in Europe would be deadly, really a disaster for European economies.

~Jose Manuel Barroso

A new state, if it wants to join the European Union, has to apply to become a member of the European Union like any state.

~Jose Manuel Barroso

Governments are not always right.

~Jose Manuel Barroso

Smart, sustainable, inclusive growth is the key to job-creation and the future prosperity of Europe.

~Jose Manuel Barroso

I'll put it frankly - Britain has more influence in China than Norway or Switzerland, with all respect for the other countries.

~Jose Manuel Barroso

I say to my friends, 'Don't just listen to the vuvuzelas; look at who scores the goals.' And this is the important thing.

~Jose Manuel Barroso

At least in Europe, we consider the right to privacy a fundamental right and it is a very serious matter.

~Jose Manuel Barroso

The euro area must not be treated as an "opt out" from the European Union.

~Jose Manuel Barroso

I think diversity can also be a resource, an asset, especially in a world that is becoming globalized, to deal with difference, to deal with variety, to deal with complexity.

~Jose Manuel Barroso

I am a very committed European.

~Jose Manuel Barroso

Norway or Switzerland are two marvelous countries, I very much admire, the most advanced countries in the world in fact with great qualities of life.

~Jose Manuel Barroso

What people call serendipity sometimes is just having your eyes open.

~Jose Manuel Barroso

For investor confidence, it is important that there is certainty about the future of Ireland in E.U.

~Jose Manuel Barroso

I don't know why my son was born conservative.

~Jose Manuel Barroso

Even when governments take the right steps to reform, these can be negatively impacted by events outside their control.

~Jose Manuel Barroso

Growth based on debt is unsustainable, artificial.

~Jose Manuel Barroso

Financial transaction tax raises problems of competition.

~Jose Manuel Barroso

The Eurogroup decisions are always taken unanimously.

~Jose Manuel Barroso

If we say leaders are incompetent, we are going to fuel extremist, populist, xenophobic and ultra-nationalist parties.

~Jose Manuel Barroso

I believe that Europe without Britain at the heart will be less reform-driven, less open, less international Europe.

~Jose Manuel Barroso

My mother wanted me to be a professor, because I have several people in my family who are professors at university.

~Jose Manuel Barroso
