Guy*

I don't turn Britney Spears into a star. I have to spot that these people are going to be stars, in the future, and say, "Okay, these guys have cultural validity and they're going to pop."

~Joseph M. Kahn

I have a day job that's very odd. Most people, by the time they're 25, glom onto one kind of music and that's what they listen to for the rest of their lives.

~Joseph M. Kahn

Even the way the kids react with media today is so completely different than what most movies have. We just wanted to make a movie that challenged them.

~Joseph M. Kahn
