Folks can believe what they like but eventually a man's got to declare if he's going to do what is right.

~Josh Brolin

I have to tell you, you can't have an ego when you're an actor. A lot of actors have them, but in reality most of those people are just sensitive artists dying for a hug and a compliment.

~Josh Brolin

When accepting or preparing for a role, fear is the motivating factor.

~Josh Brolin

Nothing misleads people like the truth.

~Josh Brolin

I only took a high school acting class because there was no other class I wanted to take. I loved it, but I was always against acting as a profession. I didn't like the monetary fluctuations I saw.

~Josh Brolin

Football? Forget it. I didn't have that thing inside me where I wanted to smash against somebody and watch them break. I was too sensitive for that and disliked being that sensitive.

~Josh Brolin

I'm really, really lucky. I was given my dad's good genes.

~Josh Brolin

It's probably a bit of a power trip when you befriend somebody enough that they trust you to tell you things.

~Josh Brolin

Fear - there's always fear. You re-create yourself in every movie, don't you?

~Josh Brolin

My dad didn't often bring me to the set, being an actor himself, so my infancy as an actor was wracked with a lot of giggles and nervousness.

~Josh Brolin

You might be an interested guy, an interested reported then I get to know you and then I know you're this also and you're this also and you may hide it in a certain way. That's what I love.

~Josh Brolin

The only way change will ever happen is if we speak up, and we have to know that it actually has an impact. Because we have a lot more power than we think we do, I think.

~Josh Brolin

Anything that is absurd I see as a Coen brothers' influence! The Coen brothers are my favorite people period.

~Josh Brolin

I covered my face because they had taken my wisdom teeth out.

~Josh Brolin

I grew up, especially as an actor thinking that I had to move to New York to be a good actor. But after a while you start to live the world a little bit and you start to appreciate where you're from.

~Josh Brolin

It just seems to me that from the Republican perspective, there's so much focus on how bad the other side is, as opposed to their running on their own trajectory within the issues.

~Josh Brolin

I love the competitive part of stocks. A lot of fear and greed, that's all it

is. All I see is green and red.

~Josh Brolin

I remember at the premiere of my second movie I started crying. I thought, I'm so bad that I either have to stop this and do something else or learn what I'm doing.

~Josh Brolin

I read comic books and stuff but I didn't know a lot about it.

~Josh Brolin

Back then they had Elvis and they thought Elvis was so risquÃ©. So everyone has their perception to what innocence is.

~Josh Brolin

I love the whole of California, I have places... my whole thing is with all the money I make, I just want to buy as many places in California as I can because I love it.

~Josh Brolin

I'm very happy to be involved with great filmmakers.

~Josh Brolin

When I was in jail I could only think about what the average person has to go through - the person who has no power to go to the press or no money to hire a lawyer.

~Josh Brolin

I used to go to Vegas and play the horses, and then I realised how ridiculous that was. There is no winning in gambling, but there is on the stock market.

~Josh Brolin

The last really expensive trip we took was so uncomfortable. It's so

lazy. I want somebody to give me a great \$30 massage as opposed to a bad \$265 massage.

~Josh Brolin

It takes me 10 minutes to get ready to go out, and that includes the shower.

~Josh Brolin

I think those little laundry detergent capsules are an amazing thing to have.

~Josh Brolin

Suddenly, I'm in movies that people are excited about, and that is a nice change.
