It's my experience that the fluidity of sexuality with younger people is more accepted.

~Josh Schwartz

I think our show is very different from Orange County.

~Josh Schwartz

I'd started working when I was 21 and had been very determined about my career, very focused, even as a little kid, so it was something I had been working at for a long time.

~Josh Schwartz

It's really hard in this day and age, with radio and MTV being so consolidated, to get new music out there. I think we've become a really legitimate, viable avenue for getting new music out there.

~Josh Schwartz

Certainly there's got to be a little bit of reality show fatigue happening.

~Josh Schwartz

Year Two is a critical year for any television show.

~Josh Schwartz

I want every character be an outsider in some way.

~Josh Schwartz

I am the kind of person that takes everything as is and then look at it from the outside looking in.

~Josh Schwartz

I think you're only as good as the work that you do.

~Josh Schwartz

Like they said about *The West Wing*, you can't do a show about

Washington until you can.

~Josh Schwartz

The fun thing about TV is you get the opportunity to discover things, and somebody who starts off in a smaller part can really emerge and surprise you.

~Josh Schwartz

It is my goal to learn as much about the people I'm surrounded by. I am slowly widening who I am close with, and at the same time, growing further away from others.

~Josh Schwartz

We have some of the most passionate, vocal fans in the history of television.

~Josh Schwartz

You do in your art what you cannot do in your life.

~Josh Schwartz

The girls in high school who watched 90210? I was watching Seinfeld.

~Josh Schwartz

If it happened to me, it can happen to anyone.

~Josh Schwartz

As The O.C. started up again, I started to feel myself potentially getting pulled away.

~Josh Schwartz

The press always ends up being much nicer than I expect. A lot of times they say something snarky about you, but then you meet them in person and they couldn't be nicer.
