Jesus sees our sin more clearly than anyone, yet He loves us more than anyone.

~Judah Smith

Our righteousness doesn't depend on our present performance but on Jesus' finished performance.

~Judah Smith

Be the same person privately, publically and personally.

~Judah Smith

Don't allow the opinions of other people to shape your concept of him. Get to know him yourself, and let the goodness of God change you from the inside out.

~Judah Smith

Sometimes our brains are our own worst enemy because grace isn't logical.

~Judah Smith

God is not in a hurry to fix us. Our behavior is not his first priority. We are his first priority. Loving us, knowing us, affirming us, protecting us. That is his top goal and his main concern.

~Judah Smith

Nowhere in the Bible, however, do we find God distinguishing between levels of sin. God doesn't share our rating system. To him, all sin is equally evil, and all sinners are equally lovable.

~Judah Smith

Notorious sinners didn't kill Jesus. Religious people did.

~Judah Smith

What we do on Sunday absolutely doesn't matter unless it meets us on

Monday. Changes us on Monday. Transforms us on Monday.

~Judah Smith

You don't have to be good to be Jesus's friend. You just have to be honest.

~Judah Smith

Grace is God-given power to live differently.

~Judah Smith

Jesus didn't care about the scandal. He cared about the scandalous.

~Judah Smith

Are you struggling with sin? You don't need more will power. You need more of Jesus.

~Judah Smith

We are often harsher judges than God himself.

~Judah Smith

The Bible is meant to be down-to-earth. It was written for real people facing real issues.

~Judah Smith

It's interesting how people try to redefine God to their liking. They bring him down to their level so they can understand him, then they reject him because he is too much like them.

~Judah Smith

Don't cheapen Jesus's sacrifice by trying to pay him back

~Judah Smith

It seemed too good to be true. That's grace.

~Judah Smith

When we meet grace, it becomes the fuel of our faith. We pray, we read our Bibles, we worship and we live the purest lifestyle we can because we love a person.

~Judah Smith

If you don't love, you've lost your distinction, definition, uniqueness, and identity.

~Judah Smith

Grace is a person. And his name is Jesus.

~Judah Smith

We need to abandon our scale and adopt God's because our misguided labels keep us from the right kind of interaction with people.

~Judah Smith

Rules are not bad, but they can't save anyone.

~Judah Smith

A moment with Jesus changed everything.

~Judah Smith

I've never met a person who exaggerated God's love. Never. It's impossible.

~Judah Smith

Christianity is not about not swearing. It's not about not having impure thoughts. Really, it's not about not at all. Christianity is about Jesus.

~Judah Smith

A father doesn't say, 'Don't go that way.' He says, 'Come follow me.'

~Judah Smith

If we could get people to think about Jesus, we reasoned, Jesus was

more than able to reveal himself to them.

~Judah Smith

We need a bigger estimation of God and a smaller estimation of sin.

~Judah Smith

Once you savor God's goodness, sin holds no lasting appeal.

~Judah Smith

I wonder if we have a lot of sons running around saying, "I want a Dad."  
But you won't abide in anyone.

~Judah Smith

God transforms us one area at a time.

~Judah Smith

Responsibility is good for your soul

~Judah Smith

Make rules and follow rules as needed, but don't focus on rules. Focus on faith. Focus on grace. Focus on Jesus.

~Judah Smith

The common denominator is that we all need help.

~Judah Smith

You didn't access love, love accessed you!

~Judah Smith

Sometimes God takes your life for some crazy twists and turns.

~Judah Smith

It is absolutely essential to have a living visible example of what a Christian ought to be.

~Judah Smith

Indifference was our greatest enemy.

~Judah Smith

But difficult situations and wrong choices conspire to trap us in hopelessness.

~Judah Smith

What an opportunity we have to be a community....A community where there are models.
