Got a house on the hill, cost a couple of mill, Juicy J got bank like Uncle Phil.

~Juicy J

I never stopped grinding. I never stopped hustling. I never stopped working. I just kept moving. It has nothing to do with the money or anything like that. It's just that I love music.

~Juicy J

You gotta live life. You gotta enjoy life. I mean, I don't live on the edge.

~Juicy J

I don't advise kids to do what I do. I'm just doing me. I just smoke a little weed and do a little drink.

~Juicy J

I'm not old school, like, "Aw, man, I gotta do my music like I did in '98." I just go with the flow. I don't try to change anything.

~Juicy J

There's a lot of money in doing score music. You can get a chance to get nominated for an Oscar.

~Juicy J

It's hard for a person to try to keep his stuff together being nominated for something and then performing onstage.

~Juicy J

I keep my ear to the streets - that's how I know music. I live, breathe, eat, and sleep music. That's it. Nothing else.

~Juicy J

I don't have a hand in a lot of my own beats. I like all types of music and all types of beats though.

~Juicy J

You never know what's gonna be a hit.

~Juicy J

They call me the trippy king.

~Juicy J

I was 13 and my mom was a librarian so I told her to check out every music book she could possibly find. I wanted to know the business part of being in the music business.

~Juicy J

I love making music. I never stop. I want to keep it moving forward. I like to go into the studio and make hits. It makes me feel good.

~Juicy J

It's up to the parents to watch their kids and make sure their kids aren't doing any crazy drugs. I always blame the parents. When their kids are doing something crazy, I blame the parents.

~Juicy J

I just love making music. I always stay in the studio. Making music is my main focus.

~Juicy J

It's not my business to raise anybody else's kids. Mom and Dad got to do all that.

~Juicy J

I'm still doing me. I try to come up with different concept for my shows, you gotta keep the people interested, but I'm still me.

~Juicy J

When I don't have to do out on tour I go to church. Church is a good place to be.

~Juicy J

I love performing, signing autographs, taking 'selfies' with the fans. This is just what I feel like I was born to do.

~Juicy J

I'm never uncomfortable with anything I do. I never feel like I regret anything. I love music. All kinds of music. I'm a producer first. I feel like I can do anything and still be myself.

~Juicy J

I'm a producer first, and I know music, so I can jump on any song, whether it's pop or urban, without changing me. Whatever I do, I'm gonna make it classic.

~Juicy J

As a musician, you write and make music as you go. It's definitely in a great sequence. When you release songs, you think, "Let me make sure this goes with this so it's like a story."

~Juicy J

I fell in love with music at 13-years-old. I wanted to be a singer at first and a drummer. Then I fell in love with rap music.

~Juicy J

I'm a producer/rapper so I feel like I can do anything. I can do all kinds of music. I've done all kinds of music and I'm good at it.

~Juicy J

Sometimes it's gin or sometimes it's some champagne, and sometimes I go on stage with nothing at all. I'm turned up, naturally.

~Juicy J

I knew about the music. I got that part but I wanted to know the business, I wanted to know about royalties, how people got paid, producers and stuff like that so I read all those books like twice.

~Juicy J

I just make the music, and people have the say. When I'm making songs, I never call them hits.
