I'm not a lesbian! I hate men but I'm not a lesbian!

~Julia Louis-Dreyfus

I'm particularly fortunate to be in a position where I can bring my child to work and be able to get good child care. Not a lot of women have that.

~Julia Louis-Dreyfus

There is sexism - I'm not denying its existence. But I'm saying that I will deny its effort against me. I just pay it no nevermind and say, 'Get out of my way.'

~Julia Louis-Dreyfus

I have no agenda except to be funny. Neither I nor the writers profess to offer any worldly wisdom.

~Julia Louis-Dreyfus

I dropped out of college my junior year to do Saturday Night Live, and I didn't even consult my parents. They were very supportive because they had no choice.

~Julia Louis-Dreyfus

I really do like to work. I will work again. But on my terms.

~Julia Louis-Dreyfus

There is tremendous inequity in Hollywood and politics, and I would say globally it's challenging to be a woman and succeed.

~Julia Louis-Dreyfus

The war and terrorism in the Middle East, the crisis of leadership in many of the oil-supply countries in the developing world, the crisis of global warming - all these are very clearly tied to energy

~Julia Louis-Dreyfus

Keeping a sense of humor about life. My parents divorced when I was 8, and whenever I felt down, my mom would remind me that a sense of humor gets you through just about anything.

~Julia Louis-Dreyfus

If I have chocolate around, I will eat it. I love it, I love it, I love it. I like a piece every day.

~Julia Louis-Dreyfus

It is, I think, harder for women. I haven't quite figured it out, and all of my women friends haven't figured it out -how the hell do you do this? How do you work and have families?

~Julia Louis-Dreyfus

Some people can sometimes really invade your space and kind of never leave you alone.

~Julia Louis-Dreyfus

This is an embarrassment of riches, and boy, am I happy to be embarrassed.

~Julia Louis-Dreyfus

Anybody who is an ambitious politician would never ever aspire to a Vice Presidency. And yet, people find themselves in that position, and so, therein lies the rub.

~Julia Louis-Dreyfus

I never go about a new project as if I'm trying to redefine myself. I just like to work, and I'm excited by material I find challenging and - if it's a comedy - exceptionally funny.

~Julia Louis-Dreyfus

Doing actual comedic material is just about the most joyful endeavor ever. That's the truth. The only time it's not funny is when business gets

in the way.

~Julia Louis-Dreyfus

When I got pregnant my foot grew, but I was denying it. I've been denying it for three years

~Julia Louis-Dreyfus

I'm not the type to cut back on hot showers, but there's no harm in hot water when it's warmed by the sun.

~Julia Louis-Dreyfus

The fact of the matter is that everybody treats me pretty much as one of the boys, which I take as a great compliment

~Julia Louis-Dreyfus

It's much more acceptable for men to work and father kids. There's an inherent inequality, because we want to do it all, and I don't know how we can do this all.

~Julia Louis-Dreyfus

I've actually considered going with my married name, Julia Hall, but all the paperwork.

~Julia Louis-Dreyfus

I guess if I wrote a book one day, it would be about hair

~Julia Louis-Dreyfus

Making a movie is a long, dull process. There's a lot of waiting around.

~Julia Louis-Dreyfus

And Seinfeld is so quick: we crank out one show a week, and the hours are very reasonable

~Julia Louis-Dreyfus

Before computers, telephone lines and television connect us, we all share the same air, the same oceans, the same mountains and rivers. We are all equally responsible for protecting them

~Julia Louis-Dreyfus

I'm about to enter a national ass-kicking contest. With no legs. And a massive ass.

~Julia Louis-Dreyfus

L.A. I could live without.

~Julia Louis-Dreyfus

There's a pressure regardless of that to do a good show.

~Julia Louis-Dreyfus

The schedule of doing a live TV show every week is very difficult.

~Julia Louis-Dreyfus

I always wanted to perform.

~Julia Louis-Dreyfus

Even my great grand-mother did impressions

~Julia Louis-Dreyfus

New York is nice, but I don't like it as much as I used to.

~Julia Louis-Dreyfus

Everybody seems to know me. It's very strange
