If you do anything for too long, it starts to lack edge, to become too easy. Easy is the kiss of death.

~Julia Ormond

And it's not that going out for a hack is wrong or bad, I certainly don't view it as that; it's just that there's something about the dressage, being put through your paces, that makes you better.

~Julia Ormond

More isn't always better, Linus. Sometimes it's just more.

~Julia Ormond

The product supply chain, from source material to store, is an organizing map for delivering human rights.

~Julia Ormond

Sex, love and death are universal and timeless dramatic themes.

~Julia Ormond

Forever turned out to be too long.

~Julia Ormond

When really you've gone to drama school and rep and then you've come to London and gone to auditions and you've worked, solidly, for years. But that all gets forgotten.

~Julia Ormond

I have a really hard time stepping out of a limousine and confronting a sh\*tload of photographers who are all screaming at you, because it's like saying, 'yeah, yeah, here I am!'

~Julia Ormond

I'd say that kids working on sets, even if it's Bambi, need to be allowed to be kids, even if they're working, not become little adults - that to me

can be distorting to kids as an experience.

~Julia Ormond

It was a fantastic learning experience and OK, I got slammed because I wasn't Audrey Hepburn but you could have predicted that, really, if you'd opened your eyes wide enough.
