I've found a more personal, pagan kind of religion to satisfy the spiritual side of things.

~Julian Clary

Rodents can come across as being quite vacant in the personality stakes

~Julian Clary

A lot of gay men have a lot of sex. That's what we do. But I've stopped all that-the revolving door into my bedroom. Promiscuity. That was of its day, really.

~Julian Clary

I'm currently in an interesting correspondence with a nun about forgiveness

~Julian Clary

I live in a kind of gay bubble. I live in a gay house, I drive a gay car. I eat gay food

~Julian Clary

The bullying was hideous and relentless, and we turned it round by making ourselves celebrities.

~Julian Clary

The English like eccentrics. They just don't like them living next door.

~Julian Clary

I didn't think of myself as a tart, but I wouldn't argue with anyone who did

~Julian Clary

However light-hearted you try to be about it, the loss of youth, and everything that goes with it, is quite a trauma.

~Julian Clary

I think Australians like a bit of vulgarity

~Julian Clary

The public has always had affection for gay entertainers. The time was right for an out gay entertainer.

~Julian Clary

The good thing about getting older is that, as you become less attractive, so you have less desire to go out and conquer everyone you see

~Julian Clary

Just because someone's dead doesn't mean it's over. My grandfather died more than 25 years ago, but I still think of him a lot and smell his smell.

~Julian Clary

The whole business of getting famous was good fun, but it was a long time ago.

~Julian Clary

I get just as much of a thrill out of constructing a good sentence that gets a laugh at the end as I do from a joke

~Julian Clary

It was all about wanting to get revenge. Pathetic, really, but it still is the motivation.

~Julian Clary

I, as you may know, am no stranger to the organic courgette, but I still cannot work out who these gay footballers are.

~Julian Clary

I'm not sure how aware of the rest of the world I am. I live a rather sheltered existence

~Julian Clary

There is a single entendre, but I don't know about a triple one.

~Julian Clary

It's a wise thing to hold back.

~Julian Clary

I am full of gratitude for my life - and for this house.

~Julian Clary

I was lightweight - that was the whole point of me

~Julian Clary

I thought a dignified thing to do would be to live in the country by the time I'm 50 and write books

~Julian Clary
