The twist makes it a no-floater summer!

~Julie Chen

If you're trying to be something you're not, whether it's an age or a certain type of personality, you're just going to be in misery. You have to own who you are, and part of who you are is your age.

~Julie Chen

You need to prioritize. If you can't get to everything or do everything, that's okay.

~Julie Chen

I always say expect the unexpected!

~Julie Chen

Anything that can happen, will happen.

~Julie Chen

You will never be on this anchor desk, because you're Chinese.

~Julie Chen

Slow and steady wins the race. I feel like I know in my bones if we're doing a good job and continue to do a good job, the ratings will come.

~Julie Chen

I'm not taking maternity leave from 'Big Brother.' I e-mailed my boss over there this weekend and I said, 'Don't worry. I can still do the show!'

~Julie Chen

My very first news director said to me that it's better to be hated than to have viewers be neutral.

~Julie Chen

I need to have a cheesesteak.

~Julie Chen

I pretty much work all the time.

~Julie Chen

When I was in journalism school, you were taught to be completely objective. But we don't see that anymore.
