Care, Play*

The size of a studio film lets you see technology in a way that you wouldn't on an independent film, like the gadgets and the angles and all that.

~Juno Temple

I just did a part in 'Sin City 2.' I got to do a scene with Ray Liotta. Amazing man, extraordinary gentleman who was just so kind to me... I'm so excited about that I think it's gonna be very cool.

~Juno Temple

I've been involved with some huge studio projects that have been bloody awesome. It all starts with a great script, doesn't it?

~Juno Temple

If people want to criticize a performance, that I understand. I think that's important.

~Juno Temple

I think seeing films should be interactive. I'd rather have people see a film that I'm in and either absolutely love it or absolutely hate it, than be like, "Oh, yeah, it was good." That's the worst!

~Juno Temple

Daniel Radcliffe is one of the hardest working people I have ever encountered and someone that so loves what he's doing and so eager to learn and is so brilliant at what he does.

~Juno Temple

I think film should be interactive. But at the same time, it's also great to go see a big popcorn movie and be taken to a complete fantasy world.

~Juno Temple

I like to leave the movie theater and still be thinking about the film and questioning why the character did that.

~Juno Temple

Being a woman is a very powerful thing, I think, and you don't want to abuse that.

~Juno Temple

Men and women just look at sex in very, very different ways.

~Juno Temple

For me, there is safety in playing a woman that is very sexualized and having a woman direct you with that.

~Juno Temple

It's important to not be naive about this world and know that it's not necessarily a good place to be.

~Juno Temple

You can't really help people until you've helped yourself first.

~Juno Temple

For me, a director is such an important part of the process. I really have to trust him. Because then you can kind of let your inhibitions down. You can go anywhere when you trust someone.

~Juno Temple

I've been really lucky to work with a lot of really great actors, so watching the films back, it's really important to admire the people that you were working with and see their full performance.

~Juno Temple

I'm not someone who doesn't want to see the films, but I like to see them as an end product when the whole nuance of the character is put together.

~Juno Temple

I hadn't really even been thinking about TV. To me, it seemed like such a commitment, almost like a marriage.

~Juno Temple

There are two movies where I keep my clothes on. My parents will be very proud. They're challenging characters, which I'm excited about.

~Juno Temple

It's quite quick for me to know if I want to play a character or not.

~Juno Temple

It's all about the director for me; we have to click. It's a trust thing. I'll say I'm ready to let down my walls. I'll cry for you as long as you need. But you're going to have to hug me afterwards.

~Juno Temple

On an independent film, you really learn about pace. You have so little time to do things, that you really have to know your scenes.

~Juno Temple

You don't always have to look in the distance for what's going on over there, when you actually see what's right in front of you.

~Juno Temple

For a woman, body image is always a palpable thing. Weirdly, for me, the only time I don't care is when I'm in character.

~Juno Temple

What's exciting about watching a movie, when it's finished, is you sometimes you don't recognize yourself, and that's when I'm really proud.

~Juno Temple

I think it's important to find projects that evoke people into conversation.

It's like reading a good book. You want to talk about it.

~Juno Temple

I'm so excited to see 'Horns' because it's so many different genres in one film. It's a sci-fi, it's a love story, it's a horror movie, it's a fairy tale.

~Juno Temple

It's better not to read your reviews. Just go and do the thing... it would drive you crazy otherwise.

~Juno Temple

You know, I do projects that I really care about. I hope I'll stand by that until the day I die!

~Juno Temple

When I go home to England, my friends all make fun of me for sounding American.

~Juno Temple

That's the great thing about the 'Sin City' movies. Each little slot is incredibly meaningful, and each character has their own moment.

~Juno Temple

I think it's so exciting to try anything you possibly can.

~Juno Temple

A big thing for me is trusting the director, so I don't need to watch playback. I feel like the director is gonna tell me whether it's right or not.

~Juno Temple

I'm a private person; I stick to my neighbourhood and eat in my little restaurants.

~Juno Temple

I just want to work forever. I absolutely love what I'm doing. I learn all the time from all these amazing artists.

~Juno Temple

There will always be ways to pay my rent, whether I wind up having to be a waitress on the side or whatever it is, but I think it's so important for me to do things that I'm passionate about.

~Juno Temple

I had this wild imagination. I was never me. All my childhood photos, I'm in fancy dress, playing a Russian refuge or Marvelous Mad Madam Mim.

~Juno Temple
