

Justin Long Quotes

*School, Character, People, Voice, Ifs, Thinking, Play, Watches, Computer,
Looks, Makeup, Impression, Guilt, Thrown, Pride, Framed, Appreciate,
Stronger, Guy, Tired*

I look like a geeky hacker but I don't know anything about computers.

~Justin Long

I would feel so guilty about lying that I would try to stress myself out and work up a headache so I wouldn't have the guilt of not having a bit of the symptom.

~Justin Long

I've always been proud of the fact that I can hold it together and I rarely break. It's a point of pride for me.

~Justin Long

Guys like Philip Seymour Hoffman or Sam Rockwell are the guys I look up to and have the kind of career I'd like to emulate.

~Justin Long

I just didn't like going to school.

~Justin Long

If you can measure success in this business based on happiness alone I feel like I've hit the lottery.

~Justin Long

I've never been that technologically savvy, my friends are actually amused by how infrequently I use computers.

~Justin Long

Nine out of 10 people who recognize me recognize me from the commercials.

~Justin Long

I have such thin skin, so I make a concerted effort to avoid reading anything about myself.

~Justin Long

I always wanted to play the boyfriends of doomed girls.

~Justin Long

It's so easy to misuse social media as a dating tool. I think it can be useful but it's scary when you think about who can access this information and what they're doing with it.

~Justin Long

It's definitely surreal to watch yourself in a movie.

~Justin Long

People who haven't done commercials, don't appreciate how hard it is.

~Justin Long

That got thrown out of court are what got me thrown out of school.

~Justin Long

Aside from my love of animation, as an actor I like the total lack of vanity in terms of not having to worry at all about your appearance. You don't have to deal with hair or makeup or wardrobe.

~Justin Long

If I had been egotistical about the movies, I have been brought back to earth.

~Justin Long

When you hear a famous voice, sometimes that takes me out of the movie.

~Justin Long

I did as many takes as I could, naked from the waist down, ... If I was framed from anywhere above the waist, I would always just like to hang it out.

~Justin Long

I loved 'Junebug.' It was one of my favorite films, my favorite type of film.

~Justin Long

I really hated school and so I just wanted to stay home and watch 'I Love Lucy' and watch the movies that inspired me to the point where we are sitting here.

~Justin Long
