I don't read the newspapers, I don't watch the news. I figure, if something important happens, someone will tell me.

~Justin Trudeau

You can't run a government from one single person. What instead matters is that leadership be about gathering around extraordinary individuals and getting the best out of them.

~Justin Trudeau

Ultimately, being open and respectful towards each other is much more powerful as a way to diffuse hatred and anger than, you know, layering on, you know, big walls and oppressive policies.

~Justin Trudeau

People think that boxing is all about how hard you can hit your opponent. It's not. Boxing is about how hard a hit you can take and keep going.

~Justin Trudeau

I have made it clear that future candidates need to be completely understanding that they will be expected to vote pro-choice on any bills.

~Justin Trudeau

I was a snowboard instructor, I was a bouncer in a nightclub, I was a whitewater river guide for many years. I worked as a teacher. I make no apologies for a very varied set of life experiences.

~Justin Trudeau

Connecting with Canadians isn't about what you say, it's about what you're listening to. It's about what you understand.

~Justin Trudeau

You cannot let yourself be defined by the hopes that you will fulfill the

darkest wishes of your opponents.

~Justin Trudeau

There's a lotta countries that do very well at dropping bombs. There are other things that Canada actually does better than most other countries. And one of them is training people on the ground.

~Justin Trudeau

I look at what I have as a challenge and I could list a whole bunch of different challenges. And I choose not to be daunted by any of them.

~Justin Trudeau

My father's values and vision of this country obviously form everything I have as values and ideals. But this is not the ghost of my father running for the leadership of the Liberal party. This is me.

~Justin Trudeau

Things fell into place and there was an opportunity for fresh leadership. And - I was - I was successful.

~Justin Trudeau

The way to build a strong future is by both protecting the environment and creating good jobs.

~Justin Trudeau

So having a little more of an awareness of what's going on in the rest of the world I think is what many Canadians would hope for Americans.

~Justin Trudeau

Every time, every time a tourist or an immigrant or a refugee shows up in another country there's a security risk.

~Justin Trudeau

Business as usual doesn't work, that we're in a time where we have to

rethink a lot of the basic ground rules and assumptions of our civilizations.

~Justin Trudeau

Our shared histories and common values make us natural trading partners and we will continue to work with both the United Kingdom and the European Union as we move forward with this new decision.

~Justin Trudeau

Canada must be progressive, and Canada must be a just society.

~Justin Trudeau

I want my Canada back!

~Justin Trudeau

Our country's economy is strong, diversified, and resilient.

~Justin Trudeau

Trade is good for the economy. Trade creates growth. The problem is that it creates growth but it does not think about distribution of the benefits of that growth.

~Justin Trudeau

I am, as many people are, inspired by Jack Layton's legacy and the way that he approached politics.

~Justin Trudeau

I'm a high school teacher. I'm someone who stumbles my way through, leads with my chin in some cases, leads with my heart in all cases.

~Justin Trudeau

I was raised with pretty thick skin. And I think people are hungry for politicians who aren't afraid to say what they think and mean it.

~Justin Trudeau

I'm happy when people decide that they are more aligned with me and my party but they should also think about being active and aligned with the parties that disagree with me on certain issues.

~Justin Trudeau

Excluding citizens' voices from politics leads down a very bad path.

~Justin Trudeau

I am entirely confident that the extraordinary women we have running for us right across Canada will make excellent cabinet ministers.

~Justin Trudeau

Ultimately, it is the people who judge, through elections, whether someone governs well or not. It's not up to other politicians to define and determine our colleagues.
